## Member's

As you are aware next year our club is celebrating its 40<sup>th</sup> Year. Please take the time to become familiar with what will be happening over that week. There is still plenty of work to be done leading up to the event. If you are able to help in any way the club would appreciate it. A popular and enjoyable role in the event is being a "Ride Marshal". If you feel you would like to join in please contact anyone on the committee and they will steer you in the right direction. The more the merrier. But to get the full enjoyment out of the Rally it would be best to enter into the Rally yourself, that way you will have many benefits.

A little bit about "Club Week". You can get a printed entry form at a Club meeting, off the website, out of the magazine or from the Club captains at any morning tea, or other ride or directly from Trisha, the Secretary. And they can be returned electronically, or in person, at meetings to Head Rally Marshal, Pete Herraman, the Club Captains, Kerry, Roy and Gary to general meetings or by mail. But to remember to get the entries in as numbers are needed for many of the benefits such as meals, bowls and poker run.

Ride Calendar. A lot of our members that go on our calendar rides have been hoping that the club would change the meeting place for the rides. It is getting very busy in town at the Ampol. Any ride that heads south most now will meet at Bonville, opposite the service station. But, the Ampol is still used for the north and west rides. There has been a change put in place for January and February so you will need to look at the ride calendar closey so you know where to go. There are no rides leaving the Ampol in those two months. This is a trial run, it would have been for just a month but, the magazine is for two months so it is easier to apply the change for the two months. If you all like it, it will remain. I imagine Bonville will be popular but the Shell on Ocean Parade may or may not work. We have to try, it will be almost as good as a holiday.

Cheers, Lara.

# Out & About

Wednesday 1<sup>st</sup> November the boys are starting to warm to the comfort of The Butter Factory. Even Roy says they have good coffee.

Every now and then we have a morning tea at a member's home. In the past they have proven to be very popular. Holger invited the club to his house in Coramba on Tuesday Nov 7<sup>th</sup> and put on a lovely breakfast and morning tea and a tour of his workshop and his BMW collection. Thanks Holger.

# Out & About

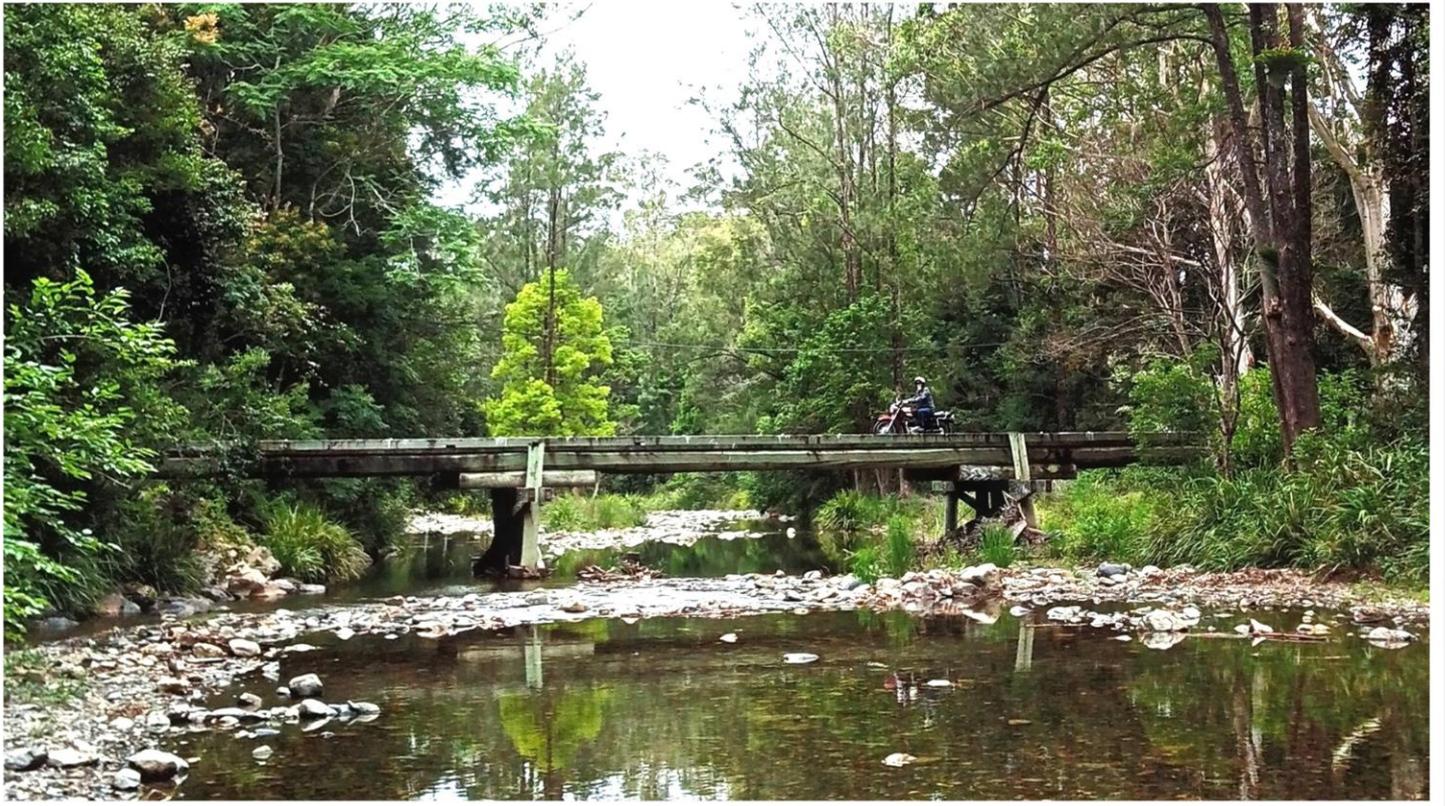

## Pee on a Tree.

The "Pee on a Tree" has been a pleasurable ride in the past. This time it was an adventure out to Bindarri National Park. Even a small amount of dirt

and a water crossing didn't discourage this mob.

Does this mean we should put Ulong to Dorrigo on the ride calendar, I hope so.

The Cook and tour guide, President Nigel.

# Christmas Party 24<sup>th</sup> November Sawtell Bowling Club.

The week leading up to the Christmas Party was unusually wet considering the lack of rain we have had in the past few months. That is just typical. Bowls wasn't looking too good as the storm clouds had been lingering for days. Even up until the

hour before it was still spitting rain. With many still attending but not willing to participate, some were a bit scared of a drip, I am sure they don't ride in the rain

either. So, the back room at the Sawtell Bowls Club slowly filled and was busting at the seams, we needed more tables, more chairs, as this was now looking like it was

going to be an inside event. Lucky the weather held off and allowed us to play. The

greens were perfect, for a beginner, a little bit on the heavy side you would say. Unlike the balls or is it bowls, anyway I don't think they had a heavy side. The

night progressed the food came out and the thirst was quenched. Any of those that could bend gave had a go.

Some were new to the game which made it very entertaining considering the lanes were so close together. We had the usual cheats and braggers, you know who you are, and those who say they have never played before. It turned out to be a fantastic night with a great combination of people, and plenty of laughs. Thanks everyone for coming out and making it a fun filled Christmas Party.

## PANHEAD RALLY

Simple idea, get over 85 Panheads (1948-65 Harleys) and ride 420kms return from Gundagai to Woodstock to have lunch! Chuck in a “meet and greet” at a pub, and a post ride dinner at the Gundagai RSL, and job done.

The result was brilliant, even bucketing rain and a small patch of hail could not dampen events. Rather than detailing all the moments and routes and bikes and the ride there and back, or trying to describe the sound of the pans lighting up to hit the road, it is simpler to just show a few pictures.

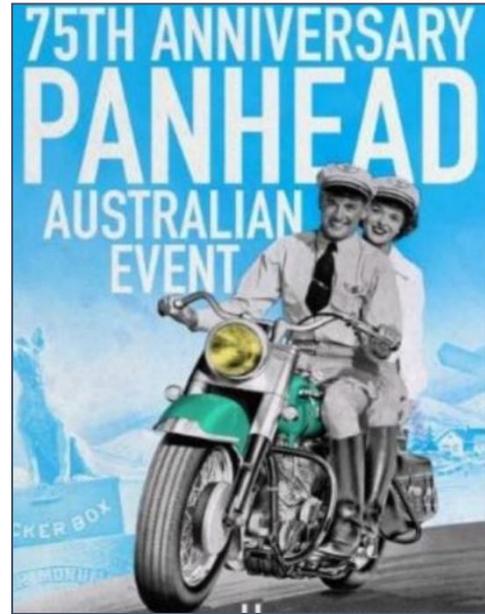

Congratulations to Kendal Maroney and his helpers for organizing such a successful and unique rally.

The two Coffs Harbour pans lined up and ready for the 400+ kms of riding on the Saturday. A long way for lunch but every mile was a joy.

Panheads lined up at “The Dog” five miles from Gundagai.

## The Book-End Bikes

1965, the last Panhead

## Out & About

Same crew with a  
Great view at the  
Nambucca Surf Club

Wednesdays ride had a huge turnout to the Idle Inn at Nana Glen. Gary was a bit concerned that my addition of East Bank Road to the Idle Inn may be a bit rough. Apparently, it was a much-appreciated detour.

The family run business of Ulong General Store always makes our members welcome when they head up the mountain. 24 bikes made the trip on Wednesday 13<sup>th</sup> December.

## Out & About

*Sundays ride to Rappville on the 17<sup>th</sup> December didn't go past the coffee and pies at Glenreagh Store.*

*It must have been a warm one they even chose to stay indoors, making use of the air conditioning.*

*Rons 74, 750*

## 1982 Suzuki GSX750 RAFFLE.

This is the clubs 1982 Suzuki GSX750 that is going to be raffled off for the 40<sup>th</sup> Anniversary Club Rally in May 2024.

It was purchased a little worse for wear by the club. Nigel and his helpers have been working

hard to get it up to a standard that any enthusiasts will appreciate, especially if they have the winning ticket. Tickets are available for purchase on meeting nights and ride days, with a good portion of the sales going to a good cause. \$10 a ticket. Plenty of books to be sold if you would like to help out.

A big thanks to Mark Harrison for finding some much-needed parts for the bike. He maybe able to help one of you out with classic bike parts.

**In the event of a breakdown:** There will be a back up vehicle on Friday, Saturday and Sunday. The back-up will not wait while you make roadside repairs. Once the back-up vehicle reaches you, just have your bike transported to the next stop where you can attempt a repair if you wish. If you do decline to be transported, *you will be on your own*. You must be a registered entrant to the rally or a member of the Coffs Harbour Motorcycle Restorers' Club to use the back-up trailer with first preference to entrants.

**In the event of an accident:** Stay together and wait for a marshal on rally days, then if unable to help, move on.
