CLUB MEETINGS:

3rd Thursday of each month, 7.00pm at Sawtell RSL, Sawtell. Come early for a meal at the bistro.

LIFE MEMBERS:

Don Sonter, John Budds*, Pete Richmond, Bill Baker*, Ned O'Brien, Rob Popplewell, Jeff McKenzie, Kevin Barber, Lance Gilbert.

*Deceased

The Coffs Harbour Annual Rally has come and gone and all those who attended had a good time, with enjoyable rides, limited breakdowns and mishaps and with great company. As always, it was the hard work and participation of so many members that made it such a success. Now of course, the process continues, so put your thinking caps on because the discussion has already begun about events, venues and routes for the 40th Restore and Ride Rally next year. Bring your ideas to a club meeting or send an email or two, but don't let your good ideas go to waste.

There are plenty of opportunities to enjoy the company of fellow club members or even with members of other clubs at their rallies as set out in Gary's (Ride Captain) mega "Ride Calendar" At the end of the magazine there are entry forms for rallies and posters for up and coming events too.

It is also AGM time on Thursday, 20th July, so come along and nominate or vote for the coming year's committee.

Out and About

Singleton Rally

Singleton Showground, 5th-7th May, 2023.

As always a great show. The Friday ride was a pleasant jaunt under a blue sky out through the Hunter River countryside to the North of the river and arriving at the Lochinvar Hotel for a late lunch.

The fine weather continued on Saturday and there was a long and a short ride to choose from both going to Sandy Hollow for morning tea and then back to the Singleton

Showground for lunch and judging. The pre-ride assembly of bikes was a show in its own right with bikes from the 30's through to the early 90's. The 60's and 70's sections

were particularly strong. And this fine show was the culmination of a fine breakfast and entrants could wander around the bikes with a cuppa in hand. The inspection and chats were eventually terminated when the throng was called to order and the routes and procedures were explained. We then left on our chosen ride route

and were directed by the marshals through a scenic route that took in forests, rocky outcrops, farmland and past monstrous mines. After about 120 kms we arrived at Sandy Hollow where we refuelled and took in another cuppa and a snack at the Tourist Hotel. (Later a trivia question!) After another jaunt through the Hunter hinterland it was back to rally headquarters at Singleton Showground for lunch and to line the bikes up for judging.

There was a dinner held at the Bowling Club on the Saturday, and the trophies were handed out and we all enjoyed a trivia quiz. There was even a brand new "Postie Bike" taken home as first prize in the raffle as well as a range of other prizes.

A Sunday ride finished off the weekend. It is a great rally and one that needs to be pencilled into the calendar for the first weekend of May next year.

Coffs Harbour Restorers' Display at the Bellingen Show.

14th May, Bellingen Showground.

Participants gathered at Connell Park in Bellingen from 9.30am onwards and then at 10.00am, the assembled riders rode off to the Annual Bellingen Agricultural Show. It has become a bit of regular fixture on the events calendar and this year the number of exhibitors seemed to have grown.

We were ushered into the Showground by the waiting gate marshals and took up our usual position in the Showground behind the bar!

The weather held fine and there was a lot of interest in bikes and members did a great job of explaining models and details to the general public. There was opportunities to wander the Showground and look at displays or watch the horses in the arena or the amusements in the carnival area.

The display concluded with the Treasurer handing out a lunch subsidy, and the Lions club providing a discount for our members. There were also a few who retired to the bar to enjoy a light refreshment before heading home.

General Business:

Magazine Editor – This position is still vacant – Nick is standing in temporarily until an Editor is found, there are currently no Club Newsletters being posted out. Nicks assistance is appreciated.

AGM – The AGM will be held on Thursday 20th July 2023 **after** the ordinary General Meeting on the same day. A new committee will be elected, if any member wishes to nominate for a position, please contact Trisha with your nomination. Please keep in mind, if there is no committee – there is no Club

C.ex Sports, Classic & Touring Car Club together with the Coffs Harbour Vintage & Veteran Car Club – Holding an event on 15 October at the C.Ex Club. Our club has been invited to enter 10 bikes, vintage preferred and classic. If anyone would like to nominate their bike for this, please contact us to register your interest.

Chris Duffy - The **Distinguished Gentlemans Ride** is on the same Sunday as our Rally. It is a ride organized by our Club Members, and should be added to the ride calendar. It is a ride to raise awareness and raise money for prostate cancer and awareness. For each rider to go into the ride, gain sponsorship online for fund raising. Please contact Chris Duffy or Gavin Gill if you need more information. Registrations need to be completed online, please see link: [The Distinguished Gentleman's Ride \(gentlemansride.com\)](http://The Distinguished Gentleman's Ride (gentlemansride.com)) to Register for the ride. There is an entry fee payable to nominate, with entrants encouraged to seek donations to be made for this great cause.

This ride will always take place on the second last Sunday of May. The event started about 10 years ago, raising money for Men's Health, the Movember foundation, wear a suit and tie and ride your old bikes. Nick reached out to Chris to see if we can combine the DGR and the Rally. The ride needs to be planned six months ahead and is approved by the Foundation in Germany.

Lance mentioned he would prefer the Club to stay on the last weekend of May so as not to clash with the DGR. This event will be added to the Ride Calendar

Number plate holders are available for sale \$10.00 each. Contact Rob Popplewell if you need one, there are 3 under number plate holders available and 12 over number plate holders. After these have been sold, we can look at getting some more info on the plate holders.

RMS Report

Jeremy Conlon from RMS to speak about upcoming changes to Club Registrations

Jeremy has advised that there are no immediate changes to be made to historical or classic registration, however, the new government will be looking at this in the future. The minister in charge will make representations to keep car/bike clubs updated with any changes, prior to any changes being made.

Some clubs in Sydney have been using the registrations as a daily ride, which is where the issues are starting.

Example locally of one member had been caught for not using registrations correctly. This particular person has been jailed for his efforts.

The changes are being more of a digital approach, where log books may be digitalized in the future, but this is not an immediate aspect.

A question was raised that if logbooks are electronic, then the police will be able to monitor. One principle is that the service needs to be open to everyone. There will still be a dual system, ie, phone and the handwritten logbook will still be available.

If changes are brought in, as a Club, we are able to go to our local member of parliament, if no luck there, then we can approach a minister for assistance and a voice.

Rally Report:

Rob Popplewell: rally committee meeting at the end of this meeting.

Nick has organized all the lunches, dinners etc. Everything is going according to plan.

We still need some members to assist with a few jobs for the Rally:

- Category signs need to be taken to Dorrigo for the display at Dorrigo School

Otherwise, everything is in hand, Dorrigo School lunch is arranged, the short and long Saturday rides are arranged. Someone from Club will be taking drinks and morning tea to Bellingen.

Friday lunch will be a picnic at Valla Beach, Rob will be arranging this one, but will need someone to assist with this one. Please, again, if you are able to assist, please contact Rob.

Marshals are required, please contact Gary Mackay 0407246775

Confusion about the availability of meals, marshals are provided meals on the morning teas and lunches, but need to register for the rally if they wish to attend the dinner, the dinner charge is \$20.00 per person.

The Friday ride breaks at Valla Beach, drinks and snacks will be provided free of charge

Cabin on Friday and Saturday night – there is a spare room available if anyone would like to share a room. Please contact Trisha for details.

Steve Arthur – Steve phoned to advise long term member Ron Zacher sadly passed away on Monday. Ron's funeral service will be held on Friday at 10.00am at St Augustines Catholic Church, Gordon Street Coffs Harbour. He will be privately cremated.

Mark Merritt – 9 September 2023 the Stuarts Point Mens Shed – Mark will see if he can arrange prizes for categories. Kempsey Men's Shed will be invited, North Coast V Twins will have a marquee and products for purchase on the day

Stuarts Point Mens Shed will be running the raffle – the proceeds from this will be divided and donated to the Sea Shepherd and the Mens' Shed

Chris Pearson – Rotary Festival of Motorsport – looking for venues to cater for the event this year, it may not proceed, no pre-entry, turn up on the day, \$1.00 per entry per bike. The event is being proposal to be held on the 4th November 2023.

Lance Gilbert: has been asked by examiners that they are having trouble with forms going into Nambucca Heads. Our books are not viable, the form is still valid and Transport NSW should be accepting the forms for registrations.

Chris was at Transport NSW, ask for Trent, forms must be stamped and will be accepted.

Rally Report: Rally starts tomorrow, first ride will commence around 12.00pm and marshals need to be out by 10.30.

Committee meeting after the meeting tonight. If you have not registered, you are still able to ride along with the Rally however, you may not get a meal, as these have been pre-ordered.

Bucket Draw – With a bit of further explanation, members purchased tickets in the draw.

The Joker was not drawn – the jackpot continues to grow to the next meeting

Captains Report:

Kerry Hendy – good turn ups to rides, Mullaway was a good ride, ride on Wednesday went to Coramba along old highway, but all met for morning tea. There is a ride tomorrow which will go to Gladstone (Kempsey). Leaving from Urunga bus station at 11.00am for lunch at Gladstone.

Membership:

Memberships have been coming in for the next financial year, membership fees have remained the same again this year at \$40.00 per riding member, \$60.00 for a family. New memberships are the same with a \$20.00 application fee + \$40.00 membership fee.

Membership cards have all been printed.

Free Membership BBQ - Will again be held at Bongil Bongil Picnic Area on Sunday 25th June 2023, come along for morning tea, or a lunchtime sausage sizzle, we will be there taking membership payments from 10.00am to 2.00pm.

Business Arising from Previous Minutes:

Mark Merritt – 9 September 2023 the Stuarts Point Mens Shed – Mark will see if he can arrange prizes for categories. Kempsey Men's Shed will be invited, North Coast V Twins will have a marquee and products for purchase on the day

Stuarts Point Mens Shed will be running the raffle, the proceeds from this will be divided and donated to the Sea Shepard and the Mens Shed

Chris Pearson – Rotary Festival of Motorsport – looking for venues to cater for the event this year, or it may not proceed, no pre entry, turn up on the day, \$1.00 per entry per bike. The event is being proposed to be held on the 4th November 2023.

General Business:

Magazine Editor – This position is still vacant – Nick is standing in temporarily until an Editor is found, there are currently no Club Newsletters being posted out. Nicks assistance is appreciated.

40th Rally 2024 – A Rally Director needs to be nominated. The dates proposed are the 24th, 25th 26th May. The DGR will be the weekend prior to our rally and the Kempsey swap meet is also the weekend prior to the rally.

AGM – The AGM will be held on Thursday 20th July 2023 **after** the ordinary General Meeting on the same day. A new committee will be elected, if any member wishes to nominate for a position, please contact Trisha with your nomination. Please keep in mind, if there is no committee – there is no Club. We do need a President next year, Treasurer will also need to be filled with Eddie completing three years. Secretary is available if anyone wants that position. Rally Director is a position which needs to be filled, Rob will be available to assist, but if anyone wishes to take on a role, please contact us.

Glenreagh Timber Festival – 29th July 2023 – more details to follow when received from the Glenreagh Timber Festival

C.ex Sports, Classic & Touring Car Club together with the Coffs Harbour Vintage & Veteran Car Club – Holding an event on 15 October at the C.Ex Club. Our club has been invited to enter 10 bikes, vintage preferred and classic. If anyone would like to nominate their bike for this, please contact us to register your interest.

Gavin Gill – Gavin is an apology tonight but has sent through some information on some upcoming events which he suggests be added to the ride calendar:

Short Course Road Racing NSW Championship at Lismore Raceway on August 5/6

Grafton Hill Climb Circuit on September 9/10

Club Laptop: I have a quote from Blue Sky IT Consulting for the Club to purchase a laptop which will be for the use of the Secretary/Membership Officer. At the moment, all documentation is kept on my work computer. If the Secretary/Membership role is taken over by someone else, it would be easier if

all the information was stored on a Club computer. The total cost for the laptop, a Lenovo ThinkBook, programs within the Microsoft Office 2021 suite, and Blue Sky setting the laptop up for us is a total of \$2466.20.

Number plate holders are available for sale \$10.00 each. Contact Rob Popplewell if you need one, there are 3 under number plate holders available and 12 over number plate holders. After these have been sold, we can look at getting some more info on the plate holders.

There is a Nabic swap meet on the 30th June if members wish to attend.

Rally Report:

Rob Popplewell:

Everything went smoothly at the Rally, weather was good. Friday we had the afternoon ride with afternoon tea at Valla, only day bikes had a breakdown.

Long and short rides went well, no accidents, lunches and morning teas were well catered for. No complaints were received. Most attendees did have a good weekend. Our Rally clashed with a few activities with the swap meet at Kempsey and the DGR. We had 70-75 entries to the rally this year.

Rob thanks the marshalls and all helpers who assisted to make the rally a success.

Look forward to next year's 40th Anniversary rally. Winner of the Club Member trophy, was Graeme Wright. His trophy was presented tonight, bike was a Matchless G9.

As next year's rally is a 40th Anniversary, we would like to put a committee together early to discuss and make plans for it to be a great event. If you wish to have some input and join the committee, you are most welcome.

As a matter of interest, the first rally held by our Club in 1984 was held at the Coffs Harbour Showground. It is an option to return to the showground for the anniversary rally, costs are being explored and will be distributed to members once received.

Bucket Draw – \$241.00

The Joken was not drawn – the jackpot continues to grow to the next meeting

Out and About

Inverell Rally 21st- 23rd April, 2023.

A three day rally with rally central being the Pioneer Village at Inverell. Attendees could stay at the caravan parks or motels in Inverell, or even in rent a houses, or at the Pioneer Village

The Friday ride went out through Gilgai, along the Bundarra Road to Tinga and back to Gilgai for lunch which was held at the Gilgai Woodturning Centre. A display and demonstration on didgeridoo. Lunch was catered by the local Westpac Rescue

Helicopter. Riders returned to The Pioneer Village for the afternoon.

Saturday ride was another sunny warm day and the attendees were there in force with over 200 entrants. The assembly area was backed with bikes and it was a joy to walk around and view all the different makes and models and chat with their owners. The ride departed at 10.30, heading out to Bundarra, and then west towards Bingara and through to Copeton Dam. Riders stopped at the dam wall for a view of a very full dam, said to be at 100%. The ride carried on to the Gum Flat school where the P

& C catered for lunch. The Riders left at leisure pace back to Pioneer Village for the afternoon. Saturday night presentation dinner was held at the RSM Club with the usual quizzes and the trophies presented.

Sunday ride was a short ride to the northern side of Copeton Dam and we returned back to the Pioneer Village for a farewell BBQ catered by the Inverell Apex Club. There was also a little swap meet with some interesting items for sale.

It was a great weekend! Congratulations are due to the organising committee for all their efforts, it made it a joy to attend the rally and we now understand why so many of our members support this rally and attend year after year.

Trish and Peter Herraman.

Bikes at the Inverell Rally

Coffs Harbour Restorers' 39th Annual "Restore and Ride" Rally 19th-21st May, 2023, based at Sawtell Caravan Park.

The anticipation was over on Friday morning as Trish and Eddie set up the entrants table in the camp kitchen ready to hand out the name tags, meal tickets, and rally badges. Meanwhile Mick and Una were busy with getting the urn hot and the cakes and

refreshments ready. It didn't take long to realise that the planning was over and the rally had started. Entrants began to come out of the cabins, caravans and tents and congregate in the camp kitchen to collect their entry envelopes, catch up with old friends and make new ones, and enjoy a cuppa and cake. The bikes started to line up along the fence opposite ready for the Friday ride and in the adjacent carpark, the first of the marshals arrived ready to lay out the course for the days riding.

On schedule the marshals headed out and Rally Convenor, Rob Popplewell gave the

official welcome to the gathered throng and explained the intricacies of the ride ahead. The ride started out along Lyons Road and down the Old Highway to Nambucca before turning through a circuitous back route to Macksville and then followed the Old Highway back up through Nambucca to Valla Beach. Down at the beach, a "picnic" awaited the entrants and marshals. The bikes lined up quickly and it was a magnificent day to be at the beach with the

sun shining and only the slightest of breezes. The quality of the bikes and the number of bikes was notable especially for the first day of the rally!

The crowd quickly parked and headed for the "tuck truck" for their picnic treats.

The weather was picture perfect for a day at the beach in Autumn

A couple of Singleton Bikes

The Friday ride then headed back to Sawtell Caravan Park and after a little break, so entrants could have a quiet drink and spruce up, President Shane, assisted by his son, Kane, and with Mick and Una again, got the barbeque fired up and was dishing up a selection of sausages and patties on buns with the obligatory onion and coleslaw on the side. The camp kitchen was well and truly humming and there was literally standing room only.

The Sun was shining brightly on Saturday morning and the Coffs BBQ crew again took up the tongs to ensure there were bacon and egg rolls to sate the hungry entrants. There were two rides on offer on the Saturday, and the "Long Ride" was to head out to Dundurrabin for morning tea and then to Dorrigo Public School for lunch. The "Short Ride" took a more circuitous route to Bellingen Showground for morning tea, then via Griffiths Lookout before arriving at Dorrigo Public School for lunch. Given the extra distance, the "Long Ride" headed out first and weaved their way out along Waterfall way through Bellingen and up the mountain to Dorrigo before following the winding road through North Dorrigo and Bostobrick to Dundurrabin where the Community Hall Committee put on a splendid morning tea. The riders had more than enough food and the joy of sitting in the Sun and enjoying their cuppas made them a bit reluctant to

mount up again and head back to Dorrigo via Fernbrook. In the meantime, the "Short Ride" had headed out North Bank Road to Bellingen Showground to

enjoy their morning tea before they too headed up the mountain to Dorrigo. At the top of the mountain, they had a detour out to Griffiths Lookout for the vista stretching over

the mountains and hills to the ocean in the distance. The “Short Ride” then headed into Dorrigo to begin the lining up of the bikes for judging at the Dorrigo Public School COLA. The Dorrigo P&C put on a sumptuous feed of Pulled Beef and coleslaw on buns fresh from the Dorrigo Bakery, supplemented with some desserts and tea and coffee. There was also a supply of soft drinks and ice creams available from the school canteen. Despite the size of the morning teas, most entrants were able to battle through the lunch. While everyone was dining, the judges were able to try and sort out the trophy winners and the entrants themselves had the opportunity of voting on their favourite bikes.

After lunch, the entrants found their way back to base at Sawtell Caravan Park and prepared for the next round of eating which was a smorgasbord at the Sawtell Bowling Club. About 100 sat down for the meal and while the meal was eaten there was the presentation of the trophies for the chosen bikes in each age bracket and the best overall bike of the rally. There was a huge array of donated items from our generous sponsors, so many entrants left with a little bonus.

Sunday amazed again as despite the predictions the weather was still fine with beautiful

clear skies. Again there was breakfast in the camp kitchen and then the marshals left to take up their positions. The ride then left and headed around Coffs on

Hogbin Drive, before heading up to Sapphire on the Highway and turning up Bucca Road to the hinterland. It was through Nana Glen and up to Glenreagh, where the Rural Fire Service had opened their shed and cooked up their special “Sunday Sausage” on bread

with onion. There was also coffee and tea and even special coffees and cakes for those wishing to treat their palates.

It was a hectic weekend and only made possible by the varying efforts of club members, who organised, marshalled, cooked, cleaned and helped in all possible ways.

A Message from the Council of Heritage Motor Clubs

THE DINKUM OIL # 23

A drop from the Council of Heritage Motor Clubs to keep you going

Operating Heritage Australia How much carbon does your historic vehicle emit?

On the table find where your vehicle's km/year intersects with its fuel consumption to find CO₂ emitted in kg.

e.g. Based on the latest FIVA survey, **Australian historic cars travel, on average, around 1200 km/yr** and, if we **assume a 14L/100km (20mpg) fuel consumption**, then **the amount of carbon dioxide produced is 504kg for the year.**

| | | Road Motor Vehicles | | | | | | |
|----------------------------------|-----|--------------------------------------|------|------|------|------|------|------|
| | | kg CO ₂ Produced per Year | | | | | | |
| Average fuel consumption L/100km | | km driven per year | | | | | | |

As a comparison:

- **A human breathes out around 240kg CO₂ per year.**
- **A medium-sized dog produces (breathing and food) 700-800kg CO₂ per year.**
- **A typical electric car driving 10,000 km per year and charged from the grid produces around 1150kg per year.**

Politicians decision-makers, and the general public need to know that the contribution of historic vehicles to carbon emissions is tiny, and that we are working to eliminate, through wise use, and renewable fuels or offsets, even that small amount.

What can you do?

- Know how much carbon dioxide your historic vehicle actually emits each year
- Let your family, friends and colleagues know how little CO₂ your historic vehicle emits
- Support your peak bodies' efforts to inform regulators that historic vehicles are not the problem
- Ensure your club and other historic motoring events you attend adopt environmentally appropriate procedures
- Be aware of, and ready to use, suitable e-fuels
- Consider carbon offsetting for your vehicle/s – In 2023 the average historic motor vehicle can offset its total carbon emissions through ethical means for under \$20 per year.

Operating Heritage Australia supports a three-step approach to minimising carbon emissions from historic vehicles and machinery:

1. minimise use of fossil fuels
2. use renewable fuels where appropriate.
3. where no alternative is available, offset emissions by supporting projects that consume more carbon dioxide than we produce.

Advertisements, Ride Calendar and Stories for the Magazine.

If members want advertisements or have stories to send in, especially ones with photos, please get them to the relieving editor at least a fortnight before the end of the month when a magazine is due. With advertisements, they will be left in for two magazines as some advertisements have been running for months and the "Trading Post" needs to have some culling. Similarly any offers of morning teas or suggestions for the "Ride Calendar" need to be in early. *The preferred format for material is "Calibri Light 14 black" in a Word 1997-2003 format.* Whoever does the magazine, there is a need for sufficient lead time to get it onto the net and to the printers for distribution by mail.

If you have an email address and you are not receiving the magazine, send the email address to sparkshiller@bigpond.com for inclusion on the mailing list. If you hear anyone complaining about not receiving the magazine, tell them to get out their phone and enter <http://coffsharbourmotorcyclerestorers.com/> to access the website, where the magazine and Ride Calendar are accessible.

40th Anniversary of the K—series:

The BMW Motorcycle Club Canberra is planning and invites all motorcyclists to a celebratory K Series 40th Anniversary rally at the Woodstock Memorial Showground @ Woodstock (near Cowra NSW) over the weekend 30 September - 2 October 2023 the October long weekend for some. The Club event website and information is here

<https://www.bmwmcc.au/event-3716482?>

[Calendar-](#)

[ViewType=1&SelectedDate=10/25/2023](#)

The event contact email is
k40@bmwmcc.au.

BMWMCC members will be in Woodstock from PM Friday 30 September until Monday 2 October with catering on Saturday night and Sunday morning. The Club is working with the Woodstock Progress Association to provide meal options from Saturday lunch to Monday (work in progress) and depends on the number of rally registrants. The showground has plenty of grassed camping, hot showers and toilets with room for the less mobile in cars or with vans (the new rallyists).
