## *Perpetual Stanley Phelps Trophy at Bellingden Show Ground*

### “Concourse d’Elegance”

After a great deal of inspection of the 30 bikes on display at the Bellingden

Showground, it was the very considered decision of Judge Don Sonter, that the winner of the 2021 Stanley Phelps Trophy should be the 1978 Honda CBX 6 owned by Ian Corner. It was an arduous judging task with a good offering of American, British, European, and Japanese bikes including 5 Honda CB's.

Many thanks should go to Don Sonter who put a wealth of experience into the sorting of the varied and resplendent offering to come up with the deserving winner.

## Restore and Ride Rally a thankyou from our President.

A rather damp & cloudy autumn day saw the 37<sup>th</sup> Rally get under way. But at least it wasn't raining. Today we were going to Bowraville, where there were 2 museums to visit and afternoon tea, put on by Phoenix, all for free. Due to the Covid 19 restrictions, Nick and the Reverend Stephen,(yes, he's a real one), set off early on their WLAs to allocate incoming riders to the museums. However WLAs are not noted for speed and they were just at Bowra when the leading rally riders swept past. Of course they all went to the first museum they came to and in no time one museum was on Covid over-load and the other in Covid drought. Nick and the Reverend did get it sorted eventually.

The main ride on Saturday set out in cloudy but otherwise fine weather & followed the Waterfall way up Dorrigo mountain to Dangar falls. From there a short ride took them to Dorrigo show ground for morning tea & category judging. After this there was a short and long ride option. Short riders trundled out to Griffith lookout, to see the magnificent view, then down the mountain to the Bellingen lunch stop. While long riders did the 85 km Tyringham loop before descending to Bello, where bikes were on display in town centre. It was a BYO lunch.

Sundays ride scaled the heights up to Sealy lookout for a panoramic view over Coffs Harbour. Then via Bruxner parkway and Bucca road to Nana Glen and on to Glenreagh. Here the Rural Fire Brigade provided lunch & the bikes were on display out front. The return was down the Orara way to Coffs & on to Sawtell in lovely sunshine.

I would like to thank all the committee members for carrying out their various tasks so well. Nick organized the ride routes and the meal stops and museum visits. Jenni did the mail out of rally info and recorded all the entrants details as they came in and took a turn as back-up vehicle driver. Kerry, Mark and Eddie also did back-up duty. Eddie handled the entrant check-in register, ordered the rally badges, and was overall rally treasurer. Mick organized the rally presentation dinner at the Golf Club and he and Una worked tirelessly at Friday Bar B.Q. and breakfasts. Shane displayed his usual culinary skill at the Bar B.Q. & breakfasts. Gavin did an exceptional job rounding up sponsor prizes for the presentation dinner. Geoff arranged the category trophies. Glen and Doug set up the category signs and morning tea at Dorrigo, with the help of Pete Richmond. Pete also did some category judging with Donny and Terry Ryan. Graham teed up the lunch time parking in Bellingen. Bonnie the presentation dinner entertainment. Lance coordinated the marshalls. I thank all those who volunteered as marshalls. Others chipped in at various times when needed. Overall it was a great team effort that produced a rally that all the entrants I spoke with really appreciated.

President  
Rob Popplewell.

## Rally Round-up

A busy few days checking that all was in order, ready and stuck in envelopes and then Friday, 21<sup>st</sup> May, Day 1 of the rally was all go. There were some 77 registered and prepaid entries, all ready to go in the envelopes with badges and details, and the registration crew of the Carpenters and Treasurer Eddie slipped into gear and handed them out as the entrants rolled into the Sawtell Caravan Park. There was also the added task of signing up new entries on the day and the rally total grew to a surprisingly high 92 entrants from as far afield as Holbrook and Singleton Club members demonstrating the Ratio of 1:1 Wagga in the South, the Sunshine Coast to the North and of course from the West came the regulars from Inverell. It was great to catch up on many old friends and meet some new ones.

After a welcome by Rally Convenor, Rob Popplewell, it was off to Bowraville and under the guidance of stalwart head marshal, Lance Gilbert, and his trusty team of marshals,

everyone, bar two breakdowns on the back up trailer, made it safely to and from Bowraville. In Bowraville, the Rally committee had organised free entry into the Frank Partridge VC museum and the Bowraville Folk Museum with an afternoon tea in the garden of the Phoenix Café. After a bit of confusion finding the afternoon tea, the entrants soon had themselves sitting in the Sun with a plate of cakes and biscuits and a cuppa. The museums proved popular with entrants and some expressed the desire to return for an extended look in the future.

Next morning it was up early for Shane Barns and his helpers and a breakfast of egg and bacon rolls was on the menu. While those in Sawtell were spilling the yokes down their chins, Glenn White and son, Doug headed up to Dorrigo to meet Life Member Pete Richmond and prepare the Luncheon Hall at Dorrigo Showground for morning tea and set out the category boards for the bike judging.

With a quick word of directions, the rally took off from Sawtell and headed up to Dangar Falls for a catch-up stop, then onto the Dorrigo Showground for the morning tea and judging. The judging was conducted by Life Members, Don Sonter, Rob Popplewell and Pete Richmond and it was not an easy task with two very large categories of about 30 bikes each in the '70-80's and '80-90s. There was also a good smattering of very tidy bikes in the older categories. After a fair bit of discussion, the winners were decided and the rally then split in two. By far the better ride was out via North Dorrigo and Tyringham and returning via Waterfall Way to Bellingen, but many fearing the grey clouds, took the easy option and headed back to Bellingen for lunch via Griffiths' Lookout. In Bellingen, there was a good collection of bikes parked in the old Carl Foster's garage and everyone was able

to find food to their personal taste. Then, under their own reconnaissance, the entrants returned to Sawtell Caravan Park.

On Saturday night at the Sawtell Golf Club about 100 sat down for an enjoyable meal together, and the winners received their prizes and trophies. There was also a tremendous raffle and Gavin Gill had done a splendid job getting around to our very generous sponsors and had collected some great prizes. The list of these sponsors is in the magazine, so when you patronise their business,

please remember to thank them for their support. It was a happy crew, well fed and refreshed that made its way back to the caravan park.

Sunday began with the cooks again making a great breakfast "Bike of the Rally" trophy went to for the entrants, and then it was time for everyone to get Ian Rennie (1949 Indian) ready for the much anticipated "Sausage Sunday". The marshals went out and guided the entrants (and even a few from the Distinguished

Gentlemen's Ride who happened to be passing by!) up to Sealy Lookout at Bruxner Park for a catch up and then onto the Glenreagh Rural Fire Station via Central Bucca. The "Firies" did a great job providing a sausage sizzle and refreshments and also supplemented the feast with additional coffees and cakes. It was a great way to conclude the rally and the turn out was quite impressive for a Sunday ride.

Many of the participants made a point of saying how much they had enjoyed the rally and how good it was to again have a "full rally" albeit with the addition of Covid protocols.

There was an interesting comment from one participant, who when finding out that the Coffs Restorers has more than 200 members, asked "If you could just get all your members out, you could triple the size of the event!"

A tidy Dakar in front of the winner of the '70s class, a Suzuki GT 750 from Wagga

From Armidale, a well fettled Vincent

And from Inverell, the "Yellow Peril", with a tidy CB Honda and a TX Yamaha.
