Hi Members.

Is everyone clear about Club Week, which is being held in conjunction with our Annual Rally. Club week is a way of getting our members involved in the Rally. If you are going to ride in Club week you would be best to register. If you look at the club week entry form there is no cost if you register, except for the subsidized meal on Saturday at The pub with no beer, but we need to know, the sooner the better to get numbers for the catering. If you don't register and show up for a ride then you will have to pay your own way, it really is a no brainer, most things will be free if you register. The more that register the less chance that you will have to do anything, when I say anything I am talking about the Marshalling. So, the more Marshals we have, the less you will have to do. Marshalling is a great way to involve yourself in the Rally.

If you wish to compete in the rally and receive a rally badge, or come to the rally dinner, or come to the rally without marshalling, yet still have meals, then you should complete a Rally entry form.

Don't be confused, there are two entry forms, one being Club Week and the other The Restore and Ride Rally.

There really isn't much else to say, except for the usual ramble. Thank you for the endless photos and stories. It is much appreciated and makes my role easier. The less I get, the less I have to do.

Those of you who have any new ideas for our ride Calendar please pass them onto our Club Captain, preferably before the ride.

A wise man once said to me " sarcasm is the lowest form of wit". I think it depends on who is delivering the sarcasm.

Cheers Lara
A.K.A Bonnie.

Members will have the opportunity to come to either Club Week, the 40th Annual Rally, or both events.

It will be necessary to put in an entry form as many of the events are funded by the Coffs Restorers’ Club and events need to be pre-booked with venues and numbers are needed to pre-order food or provide subsidies.

The North Coast Classic Motorcycle Show & Swap No.4

Sunday 18th February 2024

The fourth in a great series where all profits go to the Ballina Hospital Auxiliary. The weather was fine although a little hot and humid, so much so that it was a late afternoon and night ride up the expressway from Coffs to avoid the heat with only a little rain at Little Italy and a late night arrival. As someone who avoids the expressways, it was a good reminder of the lack of fuel on the expressway. After Coffs, the only fuel on the highway before Ballina is at Halfway Creek and Ballina is over 200kms if you don't fuel straight away at Halfway Creek or go into Grafton. Otherwise, it is off the highway and at night the local service stations are closed. A bit of problem on older bikes with small tanks and big fuel consumption! On arrival there were quite a few caravans and camper vans staying at the Alstonville Showground, but for those of us with a tent it was into the open fronted pavilion for fear of a torrential North Coast drenching.

The Show and Swap was an early start with the Hospital Auxiliary volunteers getting the food sizzling and the hot drinks coming from 6am onwards. The swap meet had a strong showing of British parts, with a selection of Japanese parts. The traders seemed to do a good trade and there were quite a few happy customers. The bike show had an eclectic mix of British and American older bikes from the Forties through to the Sixties and then there was mainly Japanese, with a little bit of Italian into the later years. There were even some older Australian bikes from the Twenties and Thirties. The best way to show a sample is with photos.

A great event and well worth putting on the calendar for next year. Congratulations need to go to the hardworking duo of Nancy and Col McAndrew who do a great job putting the show together.

A group booking has been organised at the Jindabyne NRMA Resort Park from the 15th to 17th March 2024, and will only be held until the 22nd of December 23.

For those early birds a run to Charlottes Pass could be on the cards.

Friday afternoon there will be a welcome BBQ at the park starting at 6pm.

Saturday Ride starts 8.30 to 9 am and will go over the Alpine Way to Khancoban for lunch and back along the Snowy Mountains Highway to Jindabyne.

Saturday evening drinks and dinner will be at Jindabyne pub next door at own cost.

Our Victorian friends are keen to attend and the event will be a good reason to catch up.
