CLUB MEETINGS:

3rd Thursday of each month, 7.00pm at Sawtell RSL, Sawtell.
Come early for a meal at the bistro.

LIFE MEMBERS:

Don Sonter, John Budds*, Norman Thearle*, Fred Spinks*, Pete Richmond, Bill Baker*,
Ned O'Brien, Rob Popplewell, Jeff McKenzie, Kevin Barber, Lance Gilbert,
Grahame Maddeford and Rob Major. *Deceased

Hi members.

First, those of you who have an ad in the marketplace could you please contact me if you have sold your bike so it can be removed. I do contact some pretending to be a buyer only to be told it is sold, so please pass that information on to the editor.

The Club Concourse d' Elegance will be held on the 9th of August. The venue has not yet been decided. But you should start polishing your rides for a chance to win the perpetual Stanley Phelps trophy.

North Beach is not the same without these two if they are not there they will be bobbing around on a ship, sipping on margaritas and kicking up their heels. I can just see those budgie smugglers diving into the pool, you can't keep them out of the water. They don't need an excuse to take off but this time there is something to celebrate, apparently it was their 63rd wedding anniversary on the 13th of April. You can blame my informant if the date was wrong.

Happy Wedding Anniversary you two, whoever you are. Welcome back, we missed ya!

Another special couple graced the Meeting in April, Mick and Una, great to see you there.

The 41st "Restore and Ride" Rally, for motorcycles, 30 years or older, is on the 23rd to 25th May 2025, there will be rides and activities from Tuesday 20th. Entries close on the 12th of May, you still have time to enter.

The AGM is to be held in August, now is the time to start thinking if you will be taking on any extra responsibilities for the club. The club does not run by itself. There will be a few positions that require filling. All positions will be handed in at the AGM with some retaining their roles. But many will be stepping aside to allow fresh faces and new ideas to come on board.

Cheers
Lara.
A.K.A Bonnie.

The fully equipped motorcycle has been cleaned, serviced and only needs registration to be out on the road. The tickets for the motorcycle are \$10 each and will be available on the rally entry or at various locations during the rally. The second prize, kindly donated by North Coast V-Twins, is a “Harley for the Day”. The motorcycle raffle will be drawn at the Saturday night rally dinner. Last year, the raffle raised \$5000 which was donated to the Westpac Helicopter Service.

There will also be a more traditional rally raffle with tickets sold for \$1/each and the raffle will be drawn from a tombola at the Saturday night rally dinner and the lucky winners will be able to select their prize from the donated sponsors' table.

Log Book

Who is eligible to use a log book

Getting a log book allows you to use vehicles registered under the Historic Vehicle and Classic Vehicle Schemes for up to 60 days per year for maintenance and personal use, outside of club-organised events. Each day of general use must be recorded in your log book.

You may only opt in for a Classic and Historic Vehicle Log Book if:

- you are a recognised club member with NSW conditional registration.
- your club participates in the log book scheme.

Check the [Historic vehicle clubs list \(PDF 857.58KB\)](#) or the eligibility requirements for the [classic vehicle scheme](#) for participating clubs.

You can view the [Historic and classic vehicles log book and club runs fact sheet \(PDF 119.96KB\)](#) for more information about using the log book.

Using the log book

You can use the log book as soon as it's issued to record the days you use the vehicle for maintenance or personal use.

The number of days allocated depends on the remaining length of conditional registration when the log book is issued.

Days allocated and registration length.

Remaining registration	Number of days vehicle can be used (allocated log book days)
Up to 3 months	15
Over 3 and up to 6 months	30
Over 6 and up to 9 months	45
over 9 months	60

You must carry the log book in the vehicle when it is in use.

When to notify the club of vehicle use

If you're using a log book, you don't need to tell the club which days you are driving the vehicle for personal use or maintenance – unless you have an agreement with the club to notify them.

However, you must record return journeys that are not part of club-organised events and each day of general use in the log book.

CHMC 2025 ANNUAL RALLY AT DUBBO.

This year's rally was hosted by Dubbo Antique Automobile Club who were also celebrating their 60th Anniversary. It was an excellent rally which was held from 28th to 31st March and attracted 120 historic vehicles from all eras.

The rally incorporated a meal at One or Two Brewing Co, and runs to Billy "O" at Wongarbron, the historic village of Mendouran, and Gilgandra which is famous for the 1915 Cooee March.

The rally incorporated a CHMC Delegates meeting which welcomed representatives from Transport for NSW who answered a wide range of questions relating to historic vehicles. The following link will provide answers to most questions relating to the AIS Rules for Light Vehicle Safety Check Standards:

The Annual General Meeting.

The AGM will be held in August alongside with the General Meeting. All positions will be declared vacant so you should have a think about whether you would like to stand for election or if you want to nominate someone for a position. Nominees should be at the AGM as the nominee has to accept nomination! The nominee also requires a seconder to stand for election. So, you will need to be organised before the meeting, tee up your candidates and ensure there is a seconder. Remember you can nominate yourself if you want to have a go. A few of the incumbents will not be filling their positions so don't rely on them to step up again. There will be a step-by-step guide for each role and assistance to members who take a role on for the first time by the predecessor, you won't be thrown in the deep end.

It is also a time to consider any changes that you would like to make as to how the Club is run, important changes can only be made at an AGM. You can put forward your ideas as a motion, if possible, these motions should be emailed to the Secretary (address on the front of the magazine) so that they can be printed out for the meeting. Alternately you can give "Notice of Motion" by raising the issue at the July meeting, so that it is included in the minutes and can be referred to at the AGM.

Membership renewal

The end of the club's financial year is 30th June 2025 Your membership expired on that date. The club gives you 2 months grace to renew, but the RMS does not. This means you cannot ride a conditionally registered bike after the 30th of June unless you have paid your 2025/2026 membership subscription. As far as the RMS is concerned, if the owner of the vehicle is not financial with his club, then the bike is no longer attached to a club and is unregistered, irrespective of when the bike's registration runs out. Remember if you read this message in the next magazine, and you have not paid, your bikes will be "unregistered"!

Out & About

A happy couple enjoy the sun and coffee at North Beach.

And then there were two.

Raining in Coffs and sunny in Glenreagh.

Do we need a weather person to put a post up on Facebook so we know if the road is clear on the day?

George, a regular face at North Beach. Some say he looks like Charles Brosnan, but definatly not as mean.

Al, the first winner of the \$30 cash raffle.

Once a month a ride will be chosen by the Club Captian, only those on the ride will know that the raffle will be held, and yes the prize is \$30 cash.

You will not be able to coax the information out of Gary as to when it will be, but those who attend the rides will enjoy the splash of cash.

Same hill, different day.

A ride to North Beach seems to be challenging for some.

Be careful going up and down.

An umbrella and a trailer were needed on the day.

A bit of smoke pulled these two up. I thought that was common on these old bikes. False alarm boys, just a blow-by.

Summer Beach Hop.

A few members enjoying the sounds and vibes of Rock'n'Roll at the Jetty while they displayed their motorbikes.

Jon's 1924 Waratah was the winner at the Summer Beach Hop, taking home a prize donated by Red Point.

Close to 100 Classic Cars displayed at the Summer Beach Hop at the Jetty.

As a way of being more involved in the community, members agreed that it would be right to donate to these two organizations below. Both Kerry and Barry greatly appreciated the generosity of the club.

Nigel presenting Kerry McLachlan from the Boambee East Community Centre \$500 for the GREAT programme. Girls, Resilience, Education, Art, Time, Program Circle. Which provides an art programme held for Girls Aged 8-14.

Nigel presenting Barry Butler from the Nana Glen Community Response Team a training defibrillator to the value of \$525. With a vehicle being donated by the state government and the main AED to be left in it, there was a need for a second defibrillator to remain at the training centre. Having this extra equipment will go a long way to saving lives.

The Rally's "big raffle" a 2020 Royal Enfield Himalayan (actual bike pictured) with only 15K on the clock. The fully equipped motorcycle has been cleaned, serviced and only needs registration to be out on the road. The tickets for the motorcycle are \$10 each and will be available on the rally entry or at various locations during the rally.

Ride Calendar May 2025

Bonville : Opposite Service Station. Shell on Ocean Parade, Park Beach. All rides are directly to the meeting point. Club bikes do not need a log book entry when following the ride calendar, return via same route or in the direction of home, detours will need a log book entry. The Log book, certificate of approval operations and your club Registration Card must be carried on the vehicle at all times regardless of whether they are being used.

Rides have been devastated by Cyclone Alfie, ride yesterday had 20 members turn up for a ride to Nambucca Heads. Anyone wanting to do the marshalling for the Rally, come and see Gary and he will put your name down to help out. Marshalling is a great way to enjoy the rally, you get to see all the bikes go out and then you can seek it out when we group for lunch.

If you are going on a Club ride, when rides are going in two directions, please let Gary know that you are on the ride so it can be recorded.

Donations made to two local organisations.

Visitors:

Barry Butler from Nana Glen Heart Start – we made a donation to this organisation this year, we purchased a training defib to have at the Nana Glen. There are four community first responders in the area. They are trained above basic first aid, and they have time to get to accidents/incidents prior to the Ambulance arriving. Three important things are early compressions, early defib and early arrival. There have been many incidents on Bucca Road, there was a bike crash there a few weeks ago as well as motor vehicle accidents. They would like to show us how the defib works, they are happy to bring the manikin along to show us how this is done. It was very much appreciated and a critical piece of equipment for the local community.

Sue - Boambee East Community Centre, program running for girls. GREAT Program. Aimed at 8-9 year old girl to build resilience to cope with school and handling their peers. Once a month the girls meet at the Boambee East Community Centre, 18-20 girls attend each month. They talk about subjects which are helping them cope with change and what happens in the school environment. Young people find it hard to put words to feelings so the program is designed to assist them with the understanding. They are taught through Art and journalling. Supper is supplied with hot chips and gravy. This is a safe space for children to talk about things happening in their life. There have been a lot of young people who didn't want to go to school anymore as they felt they didn't belong. The program has helped make them feel safe and being able to engage and talk about what is going on. Parents are kept informed, as to the progress of the children.

Business Arising from Previous Minutes:

Website – Che – the draft mainframe has been sent through for our comments and input. This was shown to members at the meeting and we had some great feedback. Members have asked for a forum type private page where they can add comments, photos and have discussions about who is going on rides, where to meet etc. This will be passed on to Che for their continued development. Remembering the build is approximately 12 weeks, if there is something you would like to see, it needs to be built in **now**, not in six months time. Of course, not all things are possible, but we will do our best to achieve the outcome members would like to see.

The website will be laptop/tablet, desktop and mobile friendly with simple easy to use buttons to find the information needed.

Rally Bike – Raffle tickets available to sell. We have sold quite a few tickets so far, if you would like to buy a ticket or take a book of 20 to sell, please let me know and I can arrange to get a book to you.

General Business:

Bellingen Show 24-25 May 2025 – The Bellingen Show is scheduled for the same weekend as our Rally. If any members intend on attending on behalf of our Club, please advise. We need to complete a form for the Show Committee to be able to attend. If we do not get enough numbers to go along, we will not submit a form this year.

Positions Vacant – Secretary & Website Administrator, Merchandise

Wayne Adams has notified that once the new website has been built, it will be time for him to step down and let someone else take over the website admin. Wayne has been doing the role for the last 15 years, which is a wonderful effort and very much appreciated by the committee and members. Wayne has been always available and uploading when away or having someone fill in for him and upload as needed. Thank you, Wayne. A role description will be developed as the website build takes place – if anyone has an interest in this, please let me know. Ideally, we would like at least two Website Admins, so if someone is away, there is a backup person able to do the changes as required.

Secretary – Trisha has been doing this role for the last four years, the constitution states a person can only hold the same committee position for a maximum of 3 years. This will be the last year and it is time for someone else to sit in as Secretary. A Club Manual has been developed as a live document. This can be updated by the Secretary for roles as new committee members have new ideas and the ever evolving way of managing a Club.

Merchandise – Una is recovering from her leg injury and is unable to carry the stock around to functions and meetings to sell to members. We need someone to take on the merchandise either temporarily or permanently, as Una and Mick both recover from a pretty hectic year. Trisha currently has the merchandise, please feel free to reach out if this is something you would like to know more about. We have a bit of stock on hand, let us know if you need a new jumper, hoodie or shirt.

Glenn O'Grady – Glenn proposed that our Club Captain hand out raffle tickets at random club rides to any financial member attending, the tickets then go into a draw with the winner being given \$30.00 cash toward petrol costs. This was voted on by members and carried. If you want the benefits of being a member of our Club, attend the rides to reap the benefits.

Machine Examiners – It was asked whether our machine examiners need any type of qualification and whether we scrutinise examiners as to whether they are suitable candidates for the position. All the machine examiners in our Club have either mechanical background or extensive knowledge about motorcycles. All positions for examiners are full.

Checking In – We have a few members who have not been well lately, Rob Popplewell is checking in on some members, to mention, Chris Demmery who is a regular attendant at our rally has recently had a hip replacement, he is going well now, but had an incident in hospital, but is now recovering in hospital well. Pete Watson mentioned that former club member Max Gant passed away last week, our thoughts are with his family. Ennio is getting better day by day, if you are down his way, call in to see how he is going. Mick and Una are both getting better each day, Una finally has the cage off her leg, and Mick has

been home recovering for the last month. They are both looking very well and are in pretty good spirits for what they have been through.

Rob Popplewell – Rob mentioned he has a spare bed in their motel for the Bathurst Rally, maybe around \$60 per night. If you are interested, please contact Rob.

Member Spotlight – Nil

Bucket Draw – Drawn by Gary O'Dell Drew King of Hearts – received \$10

Second draw – Drawn by Ross Burton – King of Spades – received \$10

Third Draw – Drawn by Lyle Denston – Ace of Hearts – received \$10

The jackpot continues to grow to the next meeting – there are only 16 cards left – come along next month to win the jackpot!

Rally Friday 23, Saturday 24 and Sunday 25th May 2025

All rides and destinations have been finalised. The rides planned look like great rides, club members are encouraged to enter the rally, there is a trophy for the best club bike, but you need to be entered to be eligible.

If you are unable to enter the rally, but still wish to assist with marshalling, please contact Gary and he will compile a list. We will need roughly 10 marshals for each ride, lunches and morning teas will be provided to marshals during the rides. Assistance needed with Poker Run.

New membership Applications:

Garry O'Dell – 76 Kwaka 900

Welcome to returning Members Mick and Una Carpenter. Both have been through challenging times and it is great to see them back.

Business Arising from Previous Minutes.

Website rebuild: A performer/template has been distributed to the Committee and it looks promising. He has said that the boys working on it have been busy, but hope to put more time into it over Easter.

It was discussed that it would be good to have a forum for rides to let others know who would be attending.

General Business

Bellingham show in May needs numbers for attendance, but as it clashes with the Rally it is unlikely many will attend. Please let Trisha know if you wish to attend, and unless there is significant interest the Club will not attend.

Concourse Date is 9 August 2025

AGM will be on 21 August 2025. Please consider nominating for the Committee as there will be several members not renominating.

Rally – Friday 23 to Sunday 25 May 2025
