Hi Members,

The Festival of Motor Sport is being held in November. The event on the 5th at the Coffs Harbour Race Course has been cancelled due to the poor ground conditions.

The 12th is still on at this stage, the Club has been invited to put on a large display, this day is purely based on motorcycles. If you feel you have a unique motorcycle that would be a jaw dropper or a showstopper then you should certainly come along, Nigel is the man to contact for that.

Our annual Concourse d'Elegance was held at the Botanical Gardens. I heard it was a beautiful spot and perfect weather, a lovely day to take the old girl out for a ride, I was talking about your bike. For such a large club the attendance was poor, but that seems to be the norm. Thanks Mick, Una, Geoff, Trish and whoever else had their hand in on it.

I got my first speeding ticket in 30 years a few weeks back, 58 in a 50 zone on the bike. It has prompted me to talk about speed. There have been complaints made about the speed that some travel to get to a coffee, and routes changes made on Wednesdays and Sundays. Some are left behind and lose their way because they have not been informed of the change. It really does seem pointless to go on a ride as a group if the group doesn't stick together, you may as well go for a ride by yourself, hence why North Beach is popular. What happened to waiting at a corner for the rider behind you. Motorcycle etiquette will fix all that.

Not everyone is leaving from Ampol anymore, most will wait along the way, makes sense, why travel in just to turn around and go back, so be mindful of that and leave on time from the Ampol as you have people waiting for you down the road. I was hoping someone would tell me that the Caltex had changed its name to Ampol, so I could amend it in the Calendar, but I would be waiting a long time. So yes, I finally called it the Ampol,

The Christmas Party has been decided too. Sawtell RSL, carpet bowls and finger food Friday 2nd December about 6ish. Members are asked to pay \$10 by 25th November to save their spot and to get numbers for the catering. Cash should go to Eddie the Treasure in an envelope with your name and membership no. Oh, and you will receive a complimentary drink on arrival.

Now that Facebook is up and running I have cut the Magazine back and just have the necessary information in it. This will be my last Magazine. I will be passing it and all my other duties on, I would have like to have gone the full term but let's just say, family comes first. So, if any member can take on the role as Editor, please contact the committee. Editor Description, write/collate Magazine, print and post. Ride Calendar and Admin for Facebook. All of these wanting a new computer and operator.

I just wanna to RIDE!

Over and out.

Bonnie a fan of Ricky Gervais.

Concourse d' Elegance 2022

The winner of the Concourse de Elegance that was held on the 8th of October at the Coffs Harbour Botanical Gardens was Glen White

with his 1929 M9 Sunbeam.

The judging was done by Don Sonter, unfortunately Neb O'Brien was not able

to assist. Glen has owned the 1929 M9 Sunbeam for two years. He swapped his Vincent Comet for the Sunbeam with Darryl Post from Wagga Wagga. The bike was originally from the Central Coast NSW when the original owner went off to war. He was a POW in Changi Singapore and thankfully returned home. The Sunbeam was pushed into a shed where it sat for

80 years. The owner passed away and his nephew inherited it but wasn't interested in a rusty crap old bike. From there it ended up at V Twins Coffs Harbour, that's when Darryl Post bought and restored it.

Festival of Motor Sport:

Nigel spoke about the Festival of Motor Sport. There are all vehicles for displays. We are involved in this event with the motorbike show on the 12 th November.

5 th November: There is a car show at the Racecourse. We have been asked to display 6 bikes that can represent our club to entice people to come along to the following week.

We would like members to nominate their bikes for this display, please contact Nigel to nominate your bike, there will be a ballot system from the bikes nominated. Need to be brought in Friday afternoon, and picked up on Sunday morning. There will be security there the whole time.

Nigel has brought along some nomination sheets, please see Nigel if you are willing to put in your bike, these bikes need to be unique, something which is not seen every day.

These six bikes will be drawn at the next meeting.

Chris Pearson: request – Chris is looking for a Brough Superior – please contact Chris if anyone knows of one for sale

Meeting Place: Rides are normally meeting at the Caltex, there is no shade there anymore. Roy suggested the old information centre. If anyone has any suggestion, please contact us with them, ideally, something under cover would be great. Needs to be central or close to the highway. Member Spotlight: Just to see who was paying attention at the meeting and who was not. I have decided that since meetings are quite short, it would be a great idea to have a member spotlight.

Each month a member has the opportunity to send me some photos, a brief story about their life and the bikes they have owned, the favourites etc, etc, etc. I will do up a slideshow and you can have your 20 minutes of fame! Can't wait for the emails to come in! Email me:
