### CLUB MEETINGS:

3rd Thursday of each month, 7.00pm at Sawtell RSL, Sawtell.  
Come early for a meal at the bistro.

### LIFE MEMBERS:

Don Sonter, John Budds\*, Norman Thearle\*, Fred Spinks\*, Pete Richmond, Bill Baker\*,  
Ned O'Brien, Rob Popplewell, Jeff McKenzie, Kevin Barber, Lance Gilbert,  
Grahame Maddeford and Rob Major. \*Deceased

When you attend our meetings there are many topics discussed. Whether it be Motorcycle Rallies or events being held within the area. Our club is often invited to display our precious machines at these events. All this information is passed on via emails, Facebook the Magazine and on our Website. But really there is

nothing like hearing it firsthand at the meeting and having an input.

Our attendance at events and our own rally entries tend to be quite small in comparison to our member numbers. The Vintage Car Club recently held an event at the CEX and we were invited to display our motorcycles but less than a handful from our club displayed their bikes, I think our clubs banner took up more room.

Next year it will be our 40<sup>th</sup> Anniversary and our Rally in May will be larger than previous years. The Club is really hoping that this next rally will gather more interest from our members than it has in the past. You will be receiving plenty of information, so please out of respect for those who are making this happen, read it, as a lot of time and effort has been spent on it trying to get you interested and involved. This Rally is about your club! Try it, you might like it.

So, now onto our Ride Calendar. Some of our regular riders have been hoping that there maybe a change where we meet for our rides. The number of riders that wait at the Ampol is dwindling. It doesn't reflect on how many are actually on the ride. Many of you tend to wait along the way on the side of the road. Bonville, opposite the service station, has slowly become more popular than meeting at Ampol, especially for a southern ride. Can we find something more suitable for the northern rides? The roads in Coffs Harbour are getting busier and the traffic at 9am through the week is at its highest. Those of you who are still leaving from the Ampol could you be aware that there are others waiting on you so please leave on time.

Riddle me this, do you think it is time to make a change and ditch the Ampol? Hopefully this will be discussed heavily at our next meeting.

The silver haired fox, Holger has kindly offered to put on a morning tea at his residence, however he has opted for an 8am arrival at his house as he will be providing breakfast on Tuesday 7<sup>th</sup> November, and yes you can show up later for coffee, but he would like to make you Breakfast. If you go to Mylstrom on the 7<sup>th</sup> remember to fill out your log book as it is not on the ride calendar. A gentle reminder, read the Ride Calendar.

## STUARTS POINT MEN'S SHED MOTORCYCLE SHOW. SEPTEMBER 9TH 2023

### "175 Motorcycles Kick-Start Renewed Men's Shed Fundraiser"

I got a phone call from Kevin on the Thursday leading up to the Motorcycle Show.

Kevin said "I am finding it a bit hard to fathom what is going on in Stuarts Point on the weekend. Can we camp the night he says, or what" Kevin, being a lover of motorcycles and restoring, also enjoys the social side of the event. After setting him straight he said "Righto, I'll put the trailer on and take the James down and camp behind the bowling club on Friday night, enjoy a few beers and get an early start in the Show Saturday. So off him and Lyn went, hoping others may too but from what I heard only the band had the same idea.

On the day the sound of 'Rolling Thunder' filled the air on all roads leading to Stuarts Point.

From 9am motorcycle riders from across the region were coming together for the 4th annual Stuarts Point Men's Shed Motorcycle Show.

What a great day it was. The blustering winds on the previous day had abated to a perfect, still but chilly morning; a perfect day for a ride in the sun.

The event brought forward many families from as far as Port Macquarie and Coffs Harbour, to feast their eyes on rare and extraordinary machines of all kinds and sizes.

Kevin's 1928 'James', a 500cc twin cylinder, made in England won the most overall support of the crowd. The rebuilder and owner Kevin Barber, receiving a two-night accommodation for two, in a luxury cabin at any of the Macleay Valley Coast Holiday Parks. And for being the overall most popular machine, Kevin and the bike will be etched onto the SPMSMS Perpetual Trophy, on permanent display at the Stuarts Point Bowling Club.

The Most Popular Modern Motorcycle nominated on the day was a massive 2.2 litre Harley 'Breakout', owned by David Connor from Coffs Harbour.

The Men's Shed at Stuarts Point is this year sharing proceeds with Sea Shepherd Australia.

Well worth the effort I would say, hey Kevin.
