Hi members.

The Christmas Party has been set for Saturday the 16th of November at the Sawtell RSL. There is a flier and a to-do list. You will need to RSVP by the 8th if you are going to attend.

Nigel has organized a ride to Mt Kaputar near Narrabri. It is a mixture of tar and a little bit of hard packed dirt roads. They will be leaving from the Bellingen fuel station, near the fire station at 8am. If you are interested, you will need to throw in your camping gear. There are hot showers and BBQs available. Contact Nigel so he can organize the National Park camp site.

The For Sale list has been culled. If you still wish to have your add in the for sale you will need to send it through to me again.

The Magazine is short and sweet. Like a broken record I will ask again if there is anything you wish to add to the Magazine that may be of interest to the members, please pass it on to the email address below.

Cheers

Lara.

MAGAZINE Advertisements, Ride Calendar and Stories for the Magazine.

If members want advertisements or have stories to send in, especially ones with photos, please get them to the editor, editor.coffs.motorcycle.restorers@gmail.com at least a fortnight before the end of the month when a magazine is due. Any offers of morning teas or suggestions for the "Ride Calendar" need to be in early.

CLUB RIDES See the ride Calendar in the Magazine for upcoming rides, Rally's & Events.

LOGBOOK You must always carry your Logbook and Membership Card when riding/driving your club bike/car.

Your logbook does not need to be filled out when you are going on a club calendar ride. But you need to follow that route listed on the ride calendar leaving from your home address and returning in the direction of your home address and make sure your bike has been registered for the day by one of our Captains.

When to fill in your Logbook. You must record return journeys that are not part of club-organised events and each day of maintenance and personal use in the logbook.

CLUB RALLY Our Club Rally is held Annually in late May.

Membership renewal.

The end of the club's financial year is 30th June. Your membership expired on that date. This means you cannot ride a conditionally registered bike after the 30th June unless you have paid your membership subscription.

As far as the RMS is concerned, if the owner of the vehicle is not financial with his club, then the bike is unregistered, irrespective of when the bike's registration runs out.

MEMBERS SECTION

Members are required to attend at least three events during a membership year and can be by way of attending a Club meeting, ride days, the rally, Club Christmas party or Membership BBQ Day.

The Club will hold an annual BBQ at a venue for members to attend from 9.00am to 3.00pm on the third Sunday in June. This is a casual get together to have a chat, pay your membership for the following year prior to the due date of 1 July.

Our members try to attend our meetings on a regular basis, and it is hoped that you will be able to do so as well to maximise your enjoyment and fun as being a member of our Club. Your involvement and contribution are essential for the Club's continued success.

Memberships are due on the 1st July of each year

Payments can be made by direct deposit:

Coffs Harbour & District Motorcycle Restorers Club Inc

BCU – BSB: 533000 ACC: 32810918

PLEASE USE YOUR MEMBERSHIP NUMBER AS PAYMENT REFERENCE

If paying in cash, please put the correct money in an envelope with your name and membership number on the front of the envelope. Hand deliver to the Treasurer.

PLEASE DO NOT POST CASH!

If membership payments are not received by the **30th September** of each year, you will need to complete a new member application and begin the process from the start which also attracts a Club Application fee of \$20.00 in additional to your annual membership of \$50.00.

If you are unsure if you are a financial member, please contact the Membership Officer.

Log Book

Who is eligible to use a log book

Getting a log book allows you to use vehicles registered under the Historic Vehicle and Classic Vehicle Schemes for up to 60 days per year for maintenance and personal use, outside of club-organised events. Each day of general use must be recorded in your log book.

You may only opt in for a Classic and Historic Vehicle Log Book if:

- you are a recognised club member with NSW conditional registration.
- your club participates in the log book scheme.

Check the [Historic vehicle clubs list \(PDF 857.58KB\)](#) or the eligibility requirements for the [classic vehicle scheme](#) for participating clubs.

You can view the [Historic and classic vehicles log book and club runs fact sheet \(PDF 119.96KB\)](#) for more information about using the log book.

Using the log book

You can use the log book as soon as it's issued to record the days you use the vehicle for maintenance or personal use.

The number of days allocated depends on the remaining length of conditional registration when the log book is issued.

Days allocated and registration length.

Remaining registration	Number of days vehicle can be used (allocated log book days)
Up to 3 months	15
Over 3 and up to 6 months	30
Over 6 and up to 9 months	45
over 9 months	60

You must carry the log book in the vehicle when it is in use.

When to notify the club of vehicle use

If you're using a log book, you don't need to tell the club which days you are driving the vehicle for personal use or maintenance – unless you have an agreement with the club to notify them.

However, you must record return journeys that are not part of club-organised events and each day of general use in the log book.

Out & About

On the 26th of September Nigel Locke our President met up with Stacey from the Westpac Rescue Helicopter Service. Nigel presented Stacey with our donation of \$5000 which was from funds raised from our Annual Motorcycle Rally in May. Nigel came home with a Certificate of Appreciation for the Coffs Harbour and District Motorcycle Restores Club for our generous support to help the Westpac Rescue Helicopter Service save lives in the community.

Being a restorer's club it was great to see our members put their talent to work. Nigel and many others spent hours restoring the Suzuki GSX 750 which was then raffled off at the Annual Rally and was won by one of our members, a very happy Tony Leigh.
