### CLUB MEETINGS:

3rd Thursday of each month, 7.00pm at Sawtell RSL, Sawtell. Come early for a meal at the bistro.

### LIFE MEMBERS:

Don Sonter, John Budds\*, Pete Richmond, Bill Baker\*, Ned O'Brien, Rob Popplewell  
\*Deceased

The introduction of the “short ride” seems to be fairly popular with some members, but it needs to be remembered to go to the designated meeting spots as sometimes there are others waiting to go onwards or alternately join the shorter ride.

Rides have been very popular over the last few months as is evident in the “Out and About” section of the magazine. As always, morning teas at members’ homes are very popular, but those wishing to offer their homes need to contact the editor to have the events included in the ride calendar which has been virtually completed for the year.

There has been three months of the ride calendar included in this month’s magazine due to the importance of May, our rally month and also because of the beginning of the rally season. Hopefully it allows members to plan ahead and book their accommodation for rallies, including at Valla Tourist Park for our own rally. Such a booking certainly makes life more relaxed for marshals, officials and those who like to participate keenly in the presentation dinner!

In line with the decisions of the February meeting, all regular rides have been set to start at 9.00am and one a month at 7.30am in the November to February period.

There were no submissions for the “Spares and Repairs” segment of the magazine so it has lapsed until some new suggestions come in.

Bellingen at the Butter Factory saw attendance by: “Short riders”; “Early-morning long riders” (avoiding the heat of the day), “Late morning long riders” and a couple of dodgy characters looking at the old Rudge

tucked in between the Vincent and Sports Honda; but unfortunately not a BMW rider who got lost up in Bellingen, but still made the Ebor section of the ride after touring Dorrigo looking for peaches! 3<sup>rd</sup> February.

## **STOP PRESS:** TAREE CLUB SETS THE BENCHMARK FOR 2019

The Taree and District Vintage and Classic Motorcycle Club rally at Halliday's Point was an outstanding success. The effort put in by the rally committee was outstanding and all of the over 100 entries were impressed by the hospitality and organization. The four day rally had enjoyable jaunts on Thursday and

Friday and Sunday, but the highlight was the Saturday ride around the Lakes Way and then back from Bulahdelah on the "old highway" to Wootton for lunch. Great roads and minimal traffic, motorcycle heaven!

Coffs Harbour was the biggest entrant club with 13 members

present and some of the "trophy hunters" collected "gongs". Coffs club shirts and bikes were a feature of the event. Those that attended had such a good time that they have begun booking into other coming rallies and getting their

accommodation sorted. (See entry forms at the end of the magazine).

The quality of this rally has set a high bench mark for all coming rallies and it has certainly put our rally committee on notice. Well done and thanks to Taree and we look forward to returning their big

welcome at the Coffs Rally.
