CLUB MEETINGS:

3rd Thursday of each month 7.00pm at Sawtell Bowling Club, Sawtell. Come early for a meal at the bistro.

LIFE MEMBERS:

Don Sonter, John Budds*, Pete Richmond, Bill Baker, Ned O'Brien.

*Deceased

Yet another AGM done and dusted. It is good to see a few new faces on the committee so a big welcome. It nearly goes without saying, that you are not locked out of contributing just because you may not be on the committee. There is always rally work to do and it would be great if we could get some more articles and photos for the magazine, and suggestions for the ride calendar. The addition of extra machine examiners to the committee reflects the growth of the club, and will not only lessen the load for each examiner, but also give members the chance of finding an examiner closer to home.

With regard to the ride calendar, I have been putting three months in the magazine at a time to cover the overlap that sometimes occur when the next magazine is sent out. This allows members to look ahead especially with regards to rallies and weekends away, but the down side is that there are sometimes changes so when the new magazine goes online or is emailed out, please check the calendars match up for the overlap period.

With regard to communication, Mick Carpenter has started the club's own Facebook page and it is going great guns with photos, videos and comments and is attracting a large number of "hits". There have also been bikes and bits for sale, so it is one to follow.

There has been a good response to members sending in their emails and there are now some 50 members having the magazine sent directly to their inbox. They can then download it and store it on their computer and even enhance the pictures and text for easier viewing. Join them and send your mobile number and email address to coffsrestorers@bigpond.com

Out and About

Copmanhurst for Lunch, 2nd July.

A big turn out with 3 RT BMW's and most riders on club registered bikes. Despite the bumps on the Orara Valley Way, it was a pleasant ride up and then most people wandered home under their own steam. The Copmanhurst pub did us proud with quality food at a reasonable price, supported by cool beverages.

Overnighter to Long Flat and the Wauchope Yesteryear Truck and Machinery Show, 8th -9th July

Great weekend, with fine weather, good displays at the Yesteryear show in Wauchope including those by Taree, Port Macquarie and Natureland Club members. It was also a good reminder of what a great spot the Travellers Rest Hotel at Long Flat is!

The food was great, the beverages cold, the open fire warm and the free camping down next to the beautiful Hastings River was the icing on the cake!

Mid-Week Ride to Red Rock, 19th July

A pleasant ride and good company is all that is needed for an enjoyable morning tea.

The “Magnificent Seven”; Could this be the reason that no outlaw clubs have come to Red Rock?

Tamworth Rally and Ride. 12th -16th July.

We went “the long way around”, leaving on Wednesday with 4 members riding down to Gloucester and over the Barrington Tops to the Moonan Flat’s hotel. Next day’s ride was to the Spring Ridge hotel via Sandy Hollow, the Bylong Valley, Coolah then Premer. On Friday, it was via Werris Creek and into Tamworth to meet a couple of our other members bringing the Coffs Harbour contingent up to 8 to join in the Friday ride out to Somerton. On Saturday morning the rain came in heavy and most people stayed indoors, but the intrepid Rob Popplewell joined the ride and reported there were more marshals than riders! But he enjoyed the ride out towards

Glen found the road was slippy!

3.00pm and 3^oC at Barrington Tops. Glen wanted a beanie and Marg a scrub down!

Nundle and then to Wallabadah for morning tea, before heading through Werris Creek to Currabubula for lunch. The dinner that night was well attended and went smoothly. The Tamworth organisers were given a sound round of applause for their efforts and an enjoyable rally despite the weather. The Sunday morning ride was out to Moonbi by backroads and then for the Coffs crew it was turn North via Walcha Road and Kentucky to head home via Ebor.

Concours d'Elégance, 29th July.

A perfect day at the Glenreagh Timber Festival, with a big crowd, large car display but small bike showing. Our winner was a close run between the 1954 Ariel Huntmaster and the Triumph TR6. In the final analysis we came down in favour of Pop's Ariel as the most original. There was also a good showing of members from Natureland and Clarence Valley clubs who dropped in for the show. The \$10 subsidy with lunch for the entrants was also well received!

Article and photos from Ned O'Brien, who co-judged with Terry Ryan from Clarence Valley Club

Nabiac Swap Meet. 30th July.

Well attended by our members both as traders and purchasers. There was a good array of stalls with many traders of note with strong sections in Triumph, BSA and Harley parts as well as tools and literature.

Sculptures in the Jail, 6th August.

An early start obviously scarred some, but the four bikes that attended were all club registered and were greeted by great weather, quiet roads and a most enjoyable ride down. We were later joined by Mick Carpenter and his wife returning from the Saturday ride to raise awareness for organ donation. With the Taree, Port Macquarie and Natureland clubs in attendance, there was a good showing of bikes and plenty of camaraderie. The sculptures and the setting of the goal were spectacular and after a good look around, some scrumptious food and a bit of music in the Sun, we headed home about 2.00pm.

The Stuart's Point Men's Shed Motorcycle Show Saturday Sept 2, 2017

It seems like around six or eight months ago when we decided as a club to engage more broadly with the public, to try and get old motorcycle culture into the eyes and minds of the wider community.

Being a member of Stuarts Point Men's Shed I extended this idea to the shed and the shed was quick to invite CHMRC to bring their bikes down for a barbeque lunch.

From there the ball was rolling. Turn around three times, and strong moto-enthusiasm had been exposed in the shed. Then, when shed members were talking about much needed fundraising, I piped in with the motorcycle show idea. After much talking and searching a date was named and structure for the show began to take shape.

As a member of Stuarts Point Men's Shed I invite all CHMRC members to dust off our best machines and get down for a great weekend at Stuarts Point. There is a maiden perpetual trophy for overall most popular bike and a holiday package to be won for over 30yrs and modern motorcycle divisions.

The Stuarts Point community is quietly excited about welcoming a group of old motorcycles to town. There is a good chance the whole town will turn out for the show. A group of locals will even be making breakfasts for one and all on Sunday morning in the Stuarts Point Holiday Park barbeque area. Not sure what they will charge, but great to have breakfast organised before the ride home.

There are many accommodation options at Stuarts Point, the camping area in the caravan park is right on the water, lovely 0265 690 616. Most of the other are for three-day minimum stays but when shared with others these digs can become very inexpensive and comfortable. call Pam or Kylie on 0265 690 447 for access to many cabins houses and apartments in town. There are also free camping options available in the area if you don't need too many facilities, call me for more info. Remember it will be Fathers-Day weekend so if you want it get in early or you may miss out. Grassy Head (4k north) also has a caravan park with cabins and camping – 0265 690 742.

Cheers for now – Mark Merritt – 0427 571 770

Ned's Joke of the Month.

An elderly and drunk man walks into a bike bar, sits down and orders a drink. Looking around he sees three bikies sitting at a corner table. The old man gets up, staggers to the table, leans over, looks at the biggest, baddest, meanest bokie right in the eye and says, "Boy, I was in your grandma's house today and I saw her in the hallway, butt naked. Man, she is one fine-looking woman!"

The bokie looks straight back at him and doesn't say a word. His buddies are confused, because he really is one bad bokie and known to prefer a fight to a feed.

The drunk leans on the table again and says, with an even bigger leer, "I got it on with your grandma, boy, and damn she is gooood, the best I ever had!"

The bokie's mates are now furious and jump to their feet, but the bokie says nothing and holds the others back. The drunk leans on the table one more time, brings his face just two inches from the bokie and spits it out, "I'll tell you something else, boy, your grandma liked it!"

At this point, the bokie stands up, looks him square in the eyes and says: "Grandpa, go home. You're drunk again."
