CLUB MEETINGS:

3rd Thursday of each month 7.00pm at Sawtell Bowling Club, Sawtell. Come early for a meal at the bistro.

LIFE MEMBERS:

Don Sonter, John Budds*, Pete Richmond, Bill Baker, Ned O'Brien. *Deceased

As this magazine goes to print and onto the website, there are lots of events coming up and opportunities to help within the club.

At the January meeting, President Bob Cooper tendered his resignation and this will leave some big shoes to fill. Bob has been a great promoter of our club, and his generosity in supporting our Christmas gatherings and the fund raising for community organisations will be sorely missed. We hope he gets time away from his busy schedule to fit in some rides, rallies and perhaps a coffee or two.

While there have already been some smaller rallies, March is really the beginning of the “rally season” starting off with Taree Rally and running through with virtually one a month until Northern Rivers Rally in November. There is a small article inside regarding rallies for members who have not participated before and a request for assistance with our own rally at the end of May. As part of our rally preparations, there are rides around the rally route for marshals and back-up drivers to familiarize themselves with the route. It would be great if some members did the first aid course to assist in case of mishaps. (See details inside the magazine.)

The ride calendar has had its first “dirt day” and it was so hot that no one opted to ride the dirt and only four took a ride to Dorrigo! So let’s try again and a dirt/road ride is included in the April ride calendar. There are also some more meet and greets with other clubs as these are proving popular.

The Annual Coffs Harbour Rally. (26th -28th May, 2017)

First a bit of background for some of our new members and for others who have yet to enjoy the camaraderie of rallies.

Basically all clubs hold an annual rally. These rallies provide a focus for each club to:

- Showcase their local area
- Promote the local businesses who support their clubs
- Raise some funds for running their clubs (often this is minimal and any excess is usually donated to local charities though some may go towards maintenance for club trailers, etc)
- Display the club's members' motorcycles
- Participate and reciprocate in the restoration and preservation of old motorcycles in a practical and social way.

All club rallies tend to follow the same basic format as our own rally.

The Coffs Harbour Rally is based at the Sawtell Caravan Park, which is central to our region and can provide accommodation for our usual attendance of around 100 persons and 70 bikes. Like all clubs we charge an entry fee which entitles

the entrant to the rally badge, all the details of the rally, maps of the area, the support of a back-up trailer and a series of marshalled rides in the local area. On top of the entry fee, there are usually charges to cover meals during the rally and to attend the presentation dinner.

Pow-Wow at Ulong on the 2016 Rally

Over the three days of the rally, the club's members volunteer to be marshals to direct our visitors around the rally courses. The Friday ride is aimed at older machines and as a consequence is often shorter and does not depart the

Sawtell Caravan Park until midday. The Saturday ride is the main rally ride and is about 200kms long and includes stops for morning tea and lunch. During this ride, all the entrants' bikes are "judged" in categories depending on the age of the motorcycle. The Saturday night presentation is the opportunity to socialize and to award "trophies and prizes" for motorcycles and riders. Sunday's ride is usually a very social ride to say farewell and usually ends with a brunch before entrants head home.

Our club has a rally committee, which will organize and plan the marshalled rides, advertise the rally to other clubs, organize the sorting and collection of entries, make up the rally packs, either cook or organize the cooking of meals, ensure the back-up vehicles are ready and there are tow vehicles and drivers, and numerous other smaller tasks.

Thora Reserve on Coffs Harbour Rally, 2016

For the members it is a chance to help out, display and ride your bikes and meet and greet motorcycle enthusiasts from other clubs. Our treasurer, Rob Popplewell is our rally convener and either call him or catch him at a meeting and offer your support. Remember, many hands make light work!

It should be noted that even if you are only coming for a day or a part of the rally, it is always good manners to register as the club needs to know numbers and it gives you a chance to purchase meals and refreshments on the rally and if needs be, call on the services of the back-up trailer. The same ethos exists when visiting other clubs' rallies. Come along and support the rally is the motto!

CALTEX

First Aid Course for Motorcyclists.

The course is on 1st April commencing at 10.45 am at the Aero Club, 63 Aviation Drive, Coffs Harbour. The course runs for up to 5 hours and includes training in general first aid and first aid that applies directly to motorcycle accidents. Full details can be found at <http://www.firstaidformotorcyclists.com.au/>

There are other dates and locations for courses listed on the website and training such as this could be invaluable on any ride or rally

Distribution of the Magazine

There are still a small number of members who receive their magazines in the post and there are a few that collect a printed copy of the magazine at morning teas, but now the magazine is distributed on-line to most members. The savings for the club are substantial, well over \$100 every two months for postage and the cost and time of printing.

The magazine can be viewed on our website and even printed at home by those who like to sit in their comfy chair while reading and enjoying a beverage.

Remember if you print your own copy the font size can be increased to cater for your eyesight! The online copy will also have more photos attached and also entries for rallies.

Out and About

Fourth 'Inaugural' Christmas Rally to South East Queensland

29th December - 6th January, 2017

This year's tour was a little shorter than previous years due to the proximity of the Tassie Tour which has attracted some 20 of our members in March, 2017!

The ride from Coffs Harbour on 29th December to Kyogle was very hot, so it

was a 6.00am start for the ride up into Queensland

and back to Kyogle. Many complaints, until the mist filled valleys inspired everyone as Northern River's member, John Carson guided us through his backyard. It was then up through Queen

Mary's falls and into Queensland for the next 5 nights. It was then two days touring around the Somerset and Wivenhoe Dams, while based at Laidley. Hot weather, but early starts meant that we were back in the bar by mid-afternoon with time for a siesta before dinner. The next day's riding was through the Glass House Mountains to Maleny and arriving by midday, meant a pleasant afternoon jaunt out to the Mapleton Tavern, before returning to a home cooked meal prepared in the motel gardens by Jeff and Laura McKenzie.

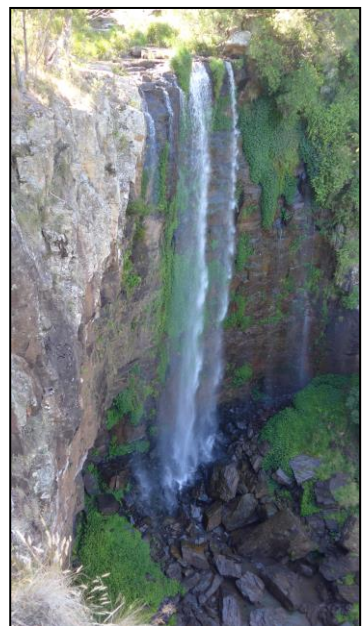

It was then onto Kingaroy and around to the Bull and Barley Hotel at Cambooya. This was a highlight of the tour and the meals were delicious. Everyone agreed that when in Cambooya, there is only one place to stay and that is the Bull and Barley! It was then home via an overnight stop at the Royal Hotel in Tenterfield and then down the range and into some cooling rain back to Coffs.

More Shots of the Christmas Rally through South East Queensland.

Up and Around Mt Lindsay

Heading up past Queen Mary's falls towards Killarney.

Over the border and into Queensland

“Rocket Man” Meldrum leads the group through the Mt Glorious area, while Rob Popplewell takes the short cut to reach morning tea ahead of the pack!

Up at the Glass House Mountains with Ned O’Brien feeling the heat.

Pubs and coffee stops punctuate the riding and provide relief from the heat.

Australia Day at the Glade, Dorrigo Rainforest Centre

All but one of the bikes that left the Caltex were on club plates and the intrepid riders only had a bit of shower on Dorrigo Mountain on the way to the Glade.

The riders were met by car drivers, Jenni Sparks, Chris Pearson and Bob Rushbrook, and Dorrigo members, the McRaes and Cooks! At various stages the rain poured down but a good supply of food and drinks kept everyone

happy in the shelter shed. We even managed to sneak back down to the Coast without getting wet. A most enjoyable day and thanks to Jenni for organising the food and decorating both participants and the shelter shed.

Bob, Nigel and Brandon look on in disbelief as "Rocket Man" Meldrum destroys another sausage sambo!

More Photos from the Australia Day Gathering at the Glade, Dorrigo NP.

Two “new Australians” who despite language difficulties did their best to learn good Aussie traditions.

The rain swept in but with food and drink, participants were happy in the shed.

Minnie Waters to Meet Clarence Valley Club, 5th February.

It was a good crowd that took off from the Caltex that changed as some members joined along the way while others returned home early. By Glenreagh,

there were some 20 members for morning tea, and by Minnie Waters there were still 18! At the café we had a great lunch and were joined by 4 members from Clarence Valley, 3

who arrived by road bike and Brad Neill who rode over from Surf Patrol on the quad bike! It was a very hot day and once we left Minnie Waters, it was a hard ride back down the highway to Coffs. This would make a great ride in the cooler seasons.

Bill Condon's Kawasaki with bikes parked all the way down the road.

See the Minnie Water Shop Facebook page for more photos.

Sunday Ride for Lunch with Natureland at North Beach, 19th February.

A good sized ride left the Caltex and followed the “old highways” to Urunga and Short Cut Road where the ride split into one group enjoying the river ride along South Arm Road only spoilt by the road condition and the other group heading up Waterfall Way to the meet with Natureland Club at the

Butter Factory. One of the largest club rides with the members from Bellingen and Nambucca turning up. Quite a few headed home from the Butter Factory but it was off to North Beach

for lunch for the hardy and then home as the heat came on. Hopefully the Natureland members made it home dry!

Morning Tea at the MacKenzies’ Home , 14th February.

One of the biggest club days of the year, with non-stop pancake making by Laura to feed the hungry hoards. Pancakes came with lemon, sugar, cream, jams, bananas, assorted other fruit and ice cream. Some members managed to sample every variety. Many thanks to the McKenzies for hosting this event.

A couple of Italians from a past rally.

attended the Vietnam Vets Show and Shine at Murrurundi on 4th February and Kiwi won “Best Vintage” with his tasty Triumph Daytona 500cc

Kiwi’s Triumph Daytona with Kerry’s 71 Tiger.

Support for Men’s Sheds

Arising from discussions at the monthly meeting in January, the club expressed interest in supporting Men’s Sheds in the area. (Also see the Minutes of February Monthly Meeting) In particular, member Mark Merritt has taken the running and organised two events with the Stuart’s Point’s Men’s Shed.

Firstly on Wednesday, 8th March CHMRC members have been invited to the Stuarts Point Men’s Shed for a barbeque lunch and coffee. Please try to bring your old machines as this will be the last Wednesday ride before Tasmania for many.

Secondly, Stuarts Point Mens shed is going to welcome CHMRC members and all motorcycle riders in the region to take part in a FLASH RALLY on Sunday, 21st May, 2017 at the Stuarts Point Bowling Club. There will be a sausage sizzle and an award for the People’s Choice “Best Old Bike” and “Best Street Bike” on the day. More details will be forthcoming over the next couple of months.

25th ANNUAL RALLY – 7th, 8th, 9th April 2017.

The Inverell Motorcycle Restorers Club Inc. invites all fellow enthusiasts to attend our 25th Annual Rally. A great weekend is planned whether riding vintage, classic or modern machines.

This year we will be having a Special Bike Trophy Entry for the person who would like to ride but because of health or age are unable to do so. They can bring along their older bike and have it displayed on Saturday morning with the rider bikes for judging. See Entry Form.

Friday Ride: The judging will be for pre 1960 bikes. All other bikes are still welcome.

Lunch will be at your own expense, numbers required – see entry form.

#Saturday Ride. Departing the Pioneer Village for a main street parade through Otho Street then along Byron Street to Ashford. Petrol is available at Ashford.

NOTE: All bikes will be judged on Saturday morning prior to commencement of the ride then ridden to the designated lunch stop for additional judging. Bikes will not only be judged on the normal criteria, but also mechanical reliability.

A free bus will be available for entrant partners/family to Ashford.

Numbers required - see entry form.

#Sunday Morning we are holding a small motorcycle swap. Please indicate on the entry form if you will be bringing any bits and pieces to swap. There will also be a short ride followed by a Sausage Sizzle brunch .

The Pioneer Village on the Tingha Road is our check -in point and has showers and toilets available. You are welcome to pitch a tent for \$15 per night. Some space is available for caravans, non powered sites \$15per night, powered sites \$20 per night. Note the hall or buildings will not be available for camping in. Bookings and check-in at Pioneer Village Shop on arrival is essential.
