As we rush towards New Years and the time for resolutions and new starts, there is always the hunt for new ways to improve the club for 2017

We are starting to get some contributors to the magazine sending articles through... Thanks so much for your contribution...it makes for more interesting reading... keep 'em coming.

At the last meeting, there were lots of ideas for improvement including rides to visit our local Mens Sheds and also to try and spread the knowledge of our more skilled members to others in the club. There was plenty of discussion regarding the ways that some of the old skills such as wheel lacing, painting and machining could be passed on to newer members or even older members keen to learn these skills. Similarly there could be some ride days that focus on riding skills

In an effort to vary some of our traditional rides, there is a new event scheduled for 12<sup>th</sup> February, to have both a road ride and a dirt ride. So hopefully everyone will have a look in the back of the shed for their trail bikes and support this event and we can then look at putting dirt events more regularly on the calendar.

Also on the calendar are some “meet and greets” with other clubs which give us the opportunity to show off some of our older bikes and view those from other clubs. Look at the ride calendar and put them on your personal calendars.

Somewhat disappointing is the news that the Walcha Challenge trophy has slipped from Coffs Harbour’s Margaret O’Brien’s fingers and gone to Clarence Valley’s Brett Roberts.

## Membership

Congratulations to the 90% of members who are financial, but there are still a few outstanding and the Treasurer knows who you are!! Lets hope the RMS doesn't come to know!

The benefits for members are extensive but not limited to

- \*meeting with other people with similar interests
- \*finding out contacts
- \*get help with projects
- \*submit articles and suggestions for rides and events
- \*rise in the ranks to the lofty executive in a very short time.
- \*participate in the RMS historic conditional rego scheme which allows you to do tune up runs and come on club rally's (as per this magazine) and then on top of these rides, go on an additional 60 days of riding using a log book.

The end of the club's financial year is 30<sup>th</sup> June 2015

Your membership expired on that date. The club gives you 2 months grace to renew, **but the RMS does not.** This means you cannot ride a conditionally registered bike after the 30<sup>th</sup> June unless you have paid your 2017/18 membership subscription. As far as the RMS is concerned, if the owner of the vehicle is not financial with his or her club the bike is no longer attached to a club and is unregistered, irrespective of when the bike's registration runs out.

- The current fees are \$30 a member or \$45 for a couple.
- The fees can be paid in cash to the Treasurer, by cheque in the mail to the PO Box or by direct credit to the Club's account but make sure you **put your name on the Payee section.**
- The account details are: **BSB: 704 328 A Account Number: 36013**

## ACTION PLEASE: FINAL CALL    Distribution of the Magazine

With ever increasing printing, paper and postage costs, plus the very large investment of time from our *Magazine Distribution Team* (aka Jeff and Laura McKenzie) it was determined at a meeting earlier this year to limit the number of magazines that are distributed via the posted (hardcopy) to our members.

The magazine will still be published, but in limited numbers for those that still prefer the paper copy or do not have access to the internet to view the magazine from our website :

<http://www.coffsharbourmotorcyclerestorers.com/index.html>

If you wish to continue to receive your Club Magazine in the mail please notify the Club Secretary **immediately** by returning **the coupon below by mail to:**

If we did not receive notification from you that you would still like to receive a hardcopy of our newsletter, your name has been removed from the mailing list for the newsletter.

## Out and About

### Natureland Rally at Hat Head (4- 6<sup>th</sup> November)

As usual the house at Creek Street, Hat Head was booked for the Natureland Annual rally and as per usual it was soon filled with keen participants from Coffs Club and even some strays. The usual stalwarts of Ned and Margaret O'Brien, Rob Popplewell, Bob Cooper, Kevin Barber and Lyn Gilbert and the McKenzies were supplemented by Lissia from Newcastle and populated the house and yard, while Phil Haythorn found alternate accommodation at the salubrious Hat

Head Hilton. The Friday night "meet and greet" at the BBQ area behind the Hat Head Bowling Club was a great success and it was great to catch up with old friends. The Saturday ride was out to Scotts

Head using the old Pacific Highway (an asset for us too) and then after a sumptuous morning tea it was across the Highway and out to Taylors Arms for a well organised lunch. The Saturday night dinner and presentation highlighted the size of the rally and it was a battle for the club to fit everyone in and get their meals prepared. The Master of Ceremonies did a great job keeping the crowds busy with presentations and raffles. The Sunday ride to the South meant that most of our members headed North and home. A great rally and one that new members should consider coming down to for the weekend or even just for the Saturday ride to see the number and variety of bikes at the rally.

The Front Riders at the Starting Line for the Natureland Rally's Saturday Ride.

Most of the riders were still around the corner

**Club Christmas Party (11<sup>th</sup> December)** An event to be remember, due not only due to the high number of participants, or the quality of the food or the money raised for Mens' Health, but also for the generosity and support of our sponsors.

The venue and great catering was organised and provided by our President Bob

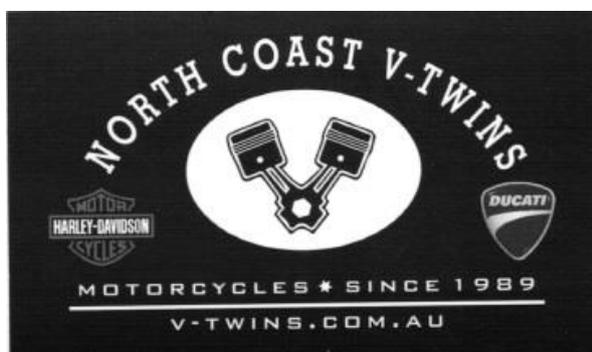

and as always pushed the limits of excellence. Ashley Beaton generously helped provide the beverages to keep everyone lubricated. Chris Pearson did a great job of contacting businesses who provided numerous quality prizes for the raffles. (See the list below and please remember to support

them as they support us!) A grand total of approximately \$1500 was raised for Mens' Health and everyone had a great time. The ultimate "win win" Congratulations to all.

### Fourth 'Inaugural' Christmas Rally to South East Queensland

29<sup>th</sup> December - 6<sup>th</sup> January, 2017

This year's tour is a little shorter than previous years due to the proximity of the Tassie Tour which has attracted some 20 of our members in March, 2017!

The Christmas Tour will leave Coffs Harbour on 29<sup>th</sup> December and go to Kyogle for two days, then to Laidley for two days, onto Maleny, Kingaroy, Toowoomba and then to Tenterfield on Thursday, 5th January with the return to Coffs Harbour on Friday, 6<sup>th</sup> January.

As previously, there will be a back-up vehicle for some luggage and a trailer for the unfortunate. Each day's ride will only be between 200 - 330kms, so there is time for socialising, exploring and avoiding unpleasant weather! Remember you don't have to sign up for the whole rally and as it is only just over the border, it is easy to come up later or go home earlier. Please email Nick on [sparkshiller@bigpond.com](mailto:sparkshiller@bigpond.com) with expressions of interest and details will be sent to you of the completed accommodation guide and route plan.

24 <sup>th</sup> -26 <sup>th</sup> February,	Phillip Island Super bikes

- Club Christmas Party was a very big success with all having a great time.
  - Chris Pearson's efforts in seeking sponsorship for lucky door and raffle prizes are recognised. With an entry charge of \$10 per

person plus the opportunity to purchase raffle tickets and participate in an auction for various motorcycle maintenance products and apparel.

- A total of \$1384.10 was raised. All proceeds to be donated to a yet to be determined charity (**Held over to next meeting**).
- A very big thank you to Bob Cooper for his generosity in supplying the venue, food and refreshments for the day. No one left hungry or thirsty and all had a great time catching up with each other.
- Another thank you to one of our club sponsors- North Coast V-Twins – Ashley Beaton, for also supplying an assortment of beverages for the members to enjoy.
- Chris Pearson raised the issue of member and community education as many of our members have skills that could be passed on to other members. These skills could include mechanical or painting aptitude or riding skills. It was suggested that we look at organising some “shed days” and “ride days”
- It was noted that there will not be a quorum in attendance at the meeting scheduled for March 2017 as all members of the committee will be attending then Tasmania Rally. **Action: held over for next meeting**
- Some members have returned the printed ‘coupon’ published in the last edition of the magazine. Members that did not return a coupon will no longer receive a paper copy, but will be able to access a copy of the newsletter via the club website. This action will reduce the increasing costs of publishing. One last chance will be offered to members to confirm their preference with the coupon to appear in the next magazine for members to return to the Secretary or the Publisher.
- It was proposed that with an increase in membership from persons with a vast amount of knowledge and skills in many areas, that the meetings and magazine should be again be used as a platform to share this with other members (such as dirt riding, spray painting, tuning)
